INDIANA BOND BANK  
TAXABLE SCHOOL SEVERANCE FUNDING REFUNDING BONDS,  
SERIES 2015 C**

**Dated: Date of Delivery**

**Due as shown herein.**

The Indiana Bond Bank Taxable School Severance Funding Refunding Bonds, Series 2015 C (the "Bonds") are issuable only as fully registered bonds and, when issued, will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). Purchases of beneficial interests in the Bonds will be made in book-entry-only form, in the denomination of \$5,000 and integral multiples thereof. Purchasers of beneficial interests in the Bonds (the "Beneficial Owners") will not receive physical delivery of certificates representing their interests in the Bonds. Interest on the Bonds is payable on January 15 and July 15 of each year commencing January 15, 2016, and such interest, together with the principal of the Bonds, will be paid directly to DTC by The Huntington National Bank, Indianapolis, Indiana, as trustee (the "Trustee") under a Trust Indenture, dated as of September 1, 2015 (the "Indenture"), as defined and described herein, so long as DTC or its nominee is the registered owner of the Bonds. The Indiana Bond Bank (the "Bond Bank") may provide for payment of interest to any holder of Bonds in amounts aggregating \$1,000,000 or more by wire transfer or other method which is acceptable to the Trustee and the Bondholder. The final disbursement of such payments to the Beneficial Owner of the Bonds will be the responsibility of the DTC Direct Participants and the Indirect Participants, all as defined and more fully described herein under "THE BONDS - Book-Entry System."

The Bonds are authorized by a resolution adopted by the Board of Directors of the Bond Bank and are issued under and secured by the Indenture, all pursuant to the laws of the State of Indiana (the "State"), particularly Indiana Code 5-1.5 (the "Act"), for the purpose of providing funds, together with other legally available funds of the Bond Bank and proceeds from the Series 2015 A Bonds (as defined herein), to: (a) refund the Bond Bank's outstanding Taxable School Severance Funding Bonds Series 10, dated December 15, 2005, and currently outstanding in the aggregate principal amount of \$44,660,000 (the "Refunded Bonds"); and (b) pay all costs incidental to or on account of the issuance of the Bonds and the refunding of the Refunded Bonds. The Refunded Bonds were issued to purchase general obligations bonds of certain Indiana school corporations, including general obligations bonds (the "Prior Qualified Obligations") of the South Montgomery Community School Corporation (the "Qualified Entity"), which general obligation bonds were issued to fund unfunded contractual liabilities for retirement or severance payments as of June 30, 2001.

In connection with the issuance of the Bonds and as an inducement for the Bond Bank to undertake the refunding of the Refunded Bonds, the Qualified Entity will agree to either waive or modify its right to redeem its Prior Qualified Obligations prior to the maturity thereof (collectively, the "Call Rights"), and, in order to evidence the waiver or modification of such Call Rights, the Qualified Entity will execute and deliver to the Bond Bank amended qualified obligations (the "Amended Qualified Obligations"). The Amended Qualified Obligations are payable by the Qualified Entity from ad valorem property taxes to be collected on all taxable property within the boundaries of the Qualified Entity. See "Circuit Breaker Tax Credit" herein. In exchange for executing and delivering the Amended Qualified Obligations to the Bond Bank, the Bond Bank will (a) release, cancel and return the Prior Qualified Obligations to the Qualified Entity, and (b) provide the Qualified Entity with one or more credits against the principal and interest to become due on the Amended Qualified Obligations (collectively, the "Call Rights Waiver/Modification Credits"). At or prior to delivery of the Bonds, the Bond Bank will obtain a certification from an independent certified public accountant showing that the payments on the Amended Qualified Obligations (after taking into account the Call Rights Waiver/Modification Credits) will be sufficient to pay the principal of and interest on the Bonds when due.

The Bonds are not subject to optional redemption prior to maturity.

The Bonds maturing on January 15, 2021 are subject to mandatory sinking fund redemption. See "THE BONDS -Mandatory Redemption."

The Bonds are payable by the Bond Bank solely from the revenues and other funds of the Bond Bank pledged therefor under the Indenture. Such revenues and funds include payments by the Qualified Entity on its Amended Qualified Obligations ("Qualified Obligation Payments"). See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

THE BONDS ARE LIMITED OBLIGATIONS OF THE BOND BANK PAYABLE SOLELY OUT OF THE REVENUES AND FUNDS OF THE BOND BANK PLEDGED THEREFOR UNDER THE INDENTURE, AS MORE FULLY DESCRIBED HEREIN. THE BONDS DO NOT CONSTITUTE A GENERAL OR MORAL OBLIGATION OF THE BOND BANK OR THE STATE AND A DEBT SERVICE RESERVE FUND WILL NOT BE MAINTAINED BY THE BOND BANK FOR THE BONDS. THE BONDS DO NOT CONSTITUTE A DEBT, LIABILITY OR LOAN OF THE CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE QUALIFIED ENTITY, UNDER THE CONSTITUTION AND LAWS OF THE STATE OR A PLEDGE OF THE FAITH, CREDIT AND TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE QUALIFIED ENTITY. THE BOND BANK HAS NO TAXING POWER.

The Bonds are being offered by Raymond James & Associates, Inc., representative of itself and City Securities Corporation, as Underwriter ("Underwriters") when, as and if issued by the Bond Bank and received by the Underwriters subject to prior sale, withdrawal or modification of the offer without notice, and to the approval of legality by Ice Miller LLP, Indianapolis, Indiana, Bond Counsel. Certain legal matters will be passed on for the Bond Bank by its General Counsel, Barnes & Thornburg LLP, Indianapolis, Indiana and its Disclosure Counsel, Krieg DeVault LLP, Indianapolis, Indiana, and for the Underwriters by their counsel, Bose McKinney & Evans LLP, Indianapolis, Indiana. It is expected that the Bonds in definitive form will be available for delivery to DTC in New York, New York, on or about September 15, 2015.

## OFFICIAL STATEMENT

**Indiana Bond Bank  
Taxable School Severance Funding Refunding Bonds,  
Series 2015 C**

### INTRODUCTION

The purpose of this Official Statement, including the cover page and the appendices, is to set forth certain information concerning the issuance and sale by the Indiana Bond Bank (the “Bond Bank”) of its \$1,510,000 aggregate principal amount of Taxable School Severance Funding Refunding Bonds, Series 2015 C (the “Bonds”). The Bonds are authorized by a resolution adopted by the Board of Directors of the Bond Bank on June 9, 2015, and are issued under and secured by a Trust Indenture, dated as of September 1, 2015 (the “Indenture”), between the Bond Bank and The Huntington National Bank, Indianapolis, Indiana, as trustee, registrar and paying agent (the “Trustee”), all pursuant to the laws of the State of Indiana (the “State”), particularly Indiana Code, Title 5-1.5 (the “Act”), for the purpose of providing funds, together with other legally available funds of the Bond Bank and proceeds of the Series 2015 A Bonds (as defined herein), to: (a) refund the Bond Bank’s outstanding Taxable School Severance Funding Bonds Series 10, dated December 15, 2005, and currently outstanding in the aggregate principal amount of \$44,660,000 (the “Refunded Bonds”); and (b) pay all costs incidental to or on account of the issuance of the Bonds and the refunding of the Refunded Bonds. The Refunded Bonds were issued to purchase general obligation bonds of certain Indiana school corporations, including general obligation bonds (the “Prior Qualified Obligations”) of the South Montgomery Community School Corporation (the “Qualified Entity”) as more particularly described in APPENDIX A hereto, which general obligation bonds were issued to fund unfunded contractual liabilities for retirement or severance payments as of June 30, 2001. See the caption “PLAN OF REFUNDING” for a discussion of the Refunded Bonds.

### The Refunding Program

The Bond Bank established a program (the “Original Program”) to purchase general obligation bonds issued by certain Indiana school corporations, including the Prior Qualified Obligations of the Qualified Entity, which general obligation bonds were issued to fund existing unfunded contractual liabilities for retirement or severance payments (as of June 30, 2001), which constituted payments anticipated to be required to be made to employees of each of the Indiana school corporations upon or after the termination of their employment by such school corporations under an existing or previous employment agreement. (See the caption “THE ORIGINAL PROGRAM” for a detailed discussion of the Original Program). In connection with the Original Program, the Bond Bank entered into a purchase agreement in connection with the issuance of the Prior Qualified Obligations (the “Original Purchase Agreement”) governing the terms for the purchase of the Prior Qualified Obligations from the Qualified Entity. Pursuant to the terms of the Prior Qualified Obligations and the Original Purchase Agreement, the Qualified Entity has the right to redeem the Prior Qualified Obligations prior to the final maturity date thereof (the “Call Rights”). As of the date of issuance of the Bonds, the Qualified Entity will have waived or modified its Call Rights by executing and delivering to the Bond Bank its Amended Qualified Obligations (as hereinafter defined) in the amount listed in APPENDIX A (the “Amended Qualified Obligations”). The Qualified Entity and the Bond Bank will enter into a purchase agreement in connection with the execution and delivery of the Amended Qualified Obligations (the “Purchase Agreement”). See “FORM OF QUALIFIED ENTITY PURCHASE AGREEMENT” in APPENDIX D. In exchange for executing and delivering the Amended Qualified Obligations to the Bond Bank, the Bond Bank will (a) release, cancel and return the Prior Qualified Obligations to the Qualified Entity, and (b) provide the Qualified Entity with one or more credits against the principal and interest to become due on the Amended Qualified Obligations (collectively, the “Call Rights Waiver/Modification Credits”). At or prior to delivery of the Bonds, the Bond Bank will obtain a certification from an independent certified public accountant showing that the payments on the Amended Qualified Obligations (after taking into account the Call Rights Waiver/Modification Credits) will be sufficient to pay the principal of and interest on the Bonds when due.

From the proceeds of the Bonds, together with a portion of the proceeds of the Indiana Bond Bank Taxable School Severance Funding Refunding Bonds, Series 2015 A (the "Series 2015 A Bonds"), which Series 2015 A Bonds will be issued concurrently with the Bonds, and certain funds on hand or in trust, the Bond Bank intends to refund and defease all of the Refunded Bonds in accordance with the terms of the Prior Indenture (as defined in APPENDIX C herein). Upon defeasance of the Refunded Bonds, the Prior Trustee (as defined in APPENDIX C herein) will release the Prior Qualified Obligations and the Bond Bank will pledge to the Trustee the Amended Qualified Obligations. Thereafter, the Amended Qualified Obligations will secure payment of the Bonds. See the caption "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS".

### **Security and Sources of Payment for the Bonds**

The Bonds will be issued under and secured by the Indenture. The Bonds do not constitute a general or moral obligation of the Bond Bank or the State. **The Bond Bank will not maintain a debt service reserve fund for the Bonds and the provisions of Indiana Code 5-1.5-5, pertaining to a moral obligation of the Indiana General Assembly to replenish a debt service reserve fund, do not apply to the Bonds.** Neither the faith, credit nor taxing power of the State or any political subdivision thereof, including the Qualified Entity, is pledged to the payment of the principal of or interest on the Bonds. The Bonds are not a debt, liability, or loan of the credit of the State or any political subdivision thereof, including the Qualified Entity. The Bond Bank has no taxing power and has only those powers and sources of revenue set forth in the Act. The Bonds are issued and secured separately from all other obligations issued by the Bond Bank, including the Series 2015 A Bonds.

The Bonds are secured by the pledge of the Trust Estate established under the Indenture (the "Trust Estate"), which includes (a) all right, title and interest of the Bond Bank in, to and under the Amended Qualified Obligations; (b) all right, title and interest in any and all other property, real, personal or mixed, from time to time conveyed, mortgaged, pledged, assigned or transferred as additional security under the Indenture by the Bond Bank or by anyone on behalf of the Bond Bank; (c) the proceeds from the sale of the Bonds; and (d) all revenues held in the Funds and Accounts under the Indenture. All Bonds will be secured equally and ratably by all of the foregoing. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

The principal source of payment on the Bonds will be the principal and interest payments received by the Bond Bank from the Qualified Entity under the Amended Qualified Obligations. The principal of and interest on the Amended Qualified Obligations are payable out of certain ad valorem property tax revenues as further described under the caption, "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Provisions for Payment of the Amended Qualified Obligations." In the event the Qualified Entity fails to meet its requirements to pay principal and interest payments on its Amended Qualified Obligations when due, to the extent available, State funds appropriated for distribution to the Qualified Entity for that year, or funds otherwise held by the State Treasurer or other agencies of the State for the Qualified Entity, may be available to make such payments. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Indiana State Intercept Programs."

### **The Bond Bank**

The Bond Bank is a separate body corporate and politic, constituting an instrumentality of the State for the public purposes set forth in the Act. The Bond Bank is not an agency of the State, but is separate from the State in its corporate and sovereign capacity and has no taxing power. The Bond Bank is governed by a Board of seven Directors, including the Treasurer of the State, who serves as Chair Ex Officio, and the Director of the Indiana Finance Authority, who serves as a Director Ex Officio and five additional Directors, each appointed by the Governor of the State.

Under separate trust indentures and other instruments authorized under the Act, the Bond Bank has previously issued and had outstanding as of August 20, 2015, an aggregate principal amount of approximately \$1,245,858,288 in separate program obligations. Additionally, as of the date of this Official Statement, the Bond Bank is considering undertaking other types of financing for qualified entities for purposes authorized by and in accordance with the procedures set forth in the Act. The obligations issued by the Bond Bank in connection with any and all such financings, if any, will be secured separately from the Bonds and will not constitute Bonds under the Indenture or for purposes of this Official Statement.

## The Act

Pursuant to the Act, the purpose of the Bond Bank is to assist “qualified entities,” defined in the Act to include political subdivisions, as defined in Indiana Code 36-1-2-13, leasing bodies, as defined in Indiana Code 5-1-1-1(a), any commissions, authorities or authorized bodies of any qualified entity, and any organizations, associations or trusts with members, participants or beneficiaries that are all individually qualified entities. The Bond Bank provides such assistance through programs of, among other things, purchasing the bonds or evidences of indebtedness of such qualified entities. Under the Act, “qualified entities” include entities such as cities, towns, counties, school corporations, library corporations, special taxing districts and nonprofit corporations and associations which lease facilities or equipment to such entities. South Montgomery Community School Corporation is a “qualified entity” within the meaning of the Act.

## The Official Statement; Additional Information

This Official Statement speaks only as of its date, and the information contained herein is subject to change.

The information contained under the caption “INTRODUCTION” is qualified by reference to this entire Official Statement, including the Appendices hereto. Certain terms used in this Official Statement are defined in APPENDIX C.

Information contained in this Official Statement with respect to the Bond Bank and the Qualified Entity and copies of the Indenture and the form of Purchase Agreement may be obtained from the Indiana Bond Bank, 2980 Market Tower, 10 West Market Street, Indianapolis, Indiana 46204. The Bond Bank’s telephone number is (317) 233-0888.

The Bond Bank’s financial statements can be found at its website at [www.in.gov/tos/bond](http://www.in.gov/tos/bond) and are also available upon written request. In addition, certain other information concerning the Bond Bank is available to the Trustee and holders of the Bonds pursuant to the Indenture. See “CONTINUING DISCLOSURE.”

## SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

The Bonds are limited obligations of the Bond Bank payable only out of the Trust Estate. The Indenture creates a continuing pledge of and lien upon the Trust Estate to secure the full and final payment of the principal of, and interest on, all of the Bonds. The Bonds do not constitute a debt, liability or loan of the credit of the State or any political subdivision thereof, including the Qualified Entity, under the constitution of the State or a pledge of the faith, credit and taxing power of the State or any political subdivision thereof, including the Qualified Entity. The Bond Bank has no taxing power. The Bonds do not constitute a general or moral obligation of the Bond Bank or the State. **The Bond Bank will not maintain a debt service reserve fund for the Bonds (within the meaning of Indiana Code 5-1.5-5) and the provisions of Indiana Code 5-1.5-5 do not apply to the Bonds.** Indiana Code 5-1.5-5 pertains to the requirement that, if there is a deficiency in a debt service reserve fund securing obligations of the Bond Bank, the Chair of the Bond Bank must certify the amount of such a deficiency to the Indiana General Assembly for its consideration on whether to appropriate funds to restore the debt service reserve fund to its requirement. However, no debt service reserve fund has been established under the Indenture, and, therefore, the provisions of Indiana Code 5-1.5-5 do not apply to the Bonds.

Under the Indenture, the Bonds are secured by a pledge to the Trustee of the Trust Estate, which includes (a) all right, title and interest of the Bond Bank in, to and under the Amended Qualified Obligations; (b) all right, title and interest in any and all other property, real, personal or mixed, from time to time conveyed, mortgaged, pledged, assigned or transferred as additional security under the Indenture by the Bond Bank or by anyone on behalf of the Bond Bank; (c) the proceeds from the sale of the Bonds (while held in the Funds and Accounts established

under the Indenture); and (d) all revenues held in the Funds and Accounts under the Indenture. The payments with respect to the Amended Qualified Obligations have been structured, as of the date of issuance of the Bonds, to be sufficient along with other money in the Funds and Accounts under the Indenture (after giving effect to the Call Rights Waiver/Modification Credits), to pay the principal of and interest on the Bonds when due.

### **The Qualified Entity and the Amended Qualified Obligations**

The Refunded Bonds were issued to provide, in part, for the purchase of the Prior Qualified Obligations. From the proceeds of the Bonds, a portion of the proceeds of the Series 2015 A Bonds and certain other funds on hand or in trust, the Bond Bank intends to refund and defease all of the Refunded Bonds in accordance with the terms of the Prior Indenture. Upon defeasance of the Refunded Bonds, the Prior Trustee will release the Prior Qualified Obligations, and the Bond Bank will pledge to the Trustee as security for the Bonds, the Amended Qualified Obligations. Thereafter, the Amended Qualified Obligations will solely secure the payment of the Bonds. The Series 2015 A Bonds will be secured under a separate trust indenture with a separate trust estate; as a result, the Amended Qualified Obligations will not secure the payment on the Series 2015 A Bonds. Information concerning the Qualified Entity and the Amended Qualified Obligations is listed and further described in APPENDIX A. The Qualified Obligation Payments on the Amended Qualified Obligations have been structured to be sufficient (after giving effect to the Call Rights Waiver/Modification Credits), along with other monies in the Funds and Accounts, to pay the principal of and interest on the Bonds when due.

The Amended Qualified Obligations executed and delivered by the Qualified Entity and acquired by the Bond Bank are general obligation bonds of the Qualified Entity originally issued to fund existing unfunded contractual liabilities for retirement or severance payments (as of June 30, 2001), which constitute payments anticipated to be required to be made to employees of the Qualified Entity upon or after the termination of their employment by the Qualified Entity under an existing or previous employment agreement. See “THE ORIGINAL PROGRAM.”

The Amended Qualified Obligations of the Qualified Entity and certain information related to the Qualified Entity is listed and set forth in APPENDIX A hereto. APPENDIX A has been compiled by Crowe Horwath LLP, Indianapolis, Indiana, as financial advisor to the Bond Bank (the “Financial Advisor”) based upon information provided by the Qualified Entity from its records, except for information expressly attributed to other sources. The Financial Advisor reasonably believes that the information contained in APPENDIX A is accurate and complete (excluding the portions thereof relating to continuing disclosure in reference to compliance with previous undertakings), but the Financial Advisor does not guarantee the accuracy or completeness of such information. The information contained in APPENDIX A is not to be construed as a promise or guarantee of the Financial Advisor. As of the date of the issuance of the Bonds, the Bond Bank will have entered into a Purchase Agreement with the Qualified Entity to purchase its Amended Qualified Obligations. See “FORM OF QUALIFIED ENTITY PURCHASE AGREEMENT” in APPENDIX D.

### **Provisions for Payment of the Amended Qualified Obligations**

The Amended Qualified Obligations are general obligations of the Qualified Entity, payable out of ad valorem property tax revenues to be collected on all of the taxable property within the boundaries of the Qualified Entity.

Under Indiana law, the Qualified Entity is required to levy a special tax, in addition to other taxes authorized by law, sufficient to produce each year the necessary funds with which to pay the principal of and interest on its bonds, including its Amended Qualified Obligations. The levy of taxes by the Qualified Entity to pay such principal and interest is mandatory.

### **Indiana State Intercept Programs**

Indiana Code 20-48-1-11 provides that the Indiana Department of Local Government Finance (the “DLGF”) is, prior to the end of each calendar year, required to review the proposed bond and lease rental *ad valorem* tax levies of each school corporation for the next calendar year and the proposed appropriations for those

levies to pay principal of and interest on the school corporation's outstanding general obligation bonds and to pay the school corporation's outstanding lease rental obligations (collectively "Debt Service Obligations") to be due and payable in the next calendar year. The DLGF is to determine whether the proposed levies and appropriations are sufficient to pay the Debt Service Obligations. If it determines that the proposed levies and appropriations are insufficient to pay the Debt Service Obligations, then the DLGF is required to establish for the school corporation bond and lease rental levies and appropriations which are sufficient for the purpose. This section of the Indiana Code can be changed or repealed at any time.

If a school corporation fails to meet its requirements to pay debt service obligations when due, the State Treasurer may be required to pay the Debt Service Obligations from certain funds of the State which would otherwise be distributed to that school corporation. Pursuant to Indiana Code 20-48-1-11, upon the failure of any school corporation to pay when due any of its Debt Service Obligations, the State Treasurer, upon notification by any claimant, is required to make payment of those obligations from State funds to the extent of, but not in excess of, any amounts appropriated by the General Assembly, at its discretion, for that calendar year for distribution to that school corporation, and to deduct the amount of that payment from the amount to be so distributed to that school corporation. There can, however, be no assurance as to the levels or amounts that may from time to time be appropriated by the State General Assembly for school purposes or that this provision of the Indiana Code will not be repealed.

In addition to Indiana Code 20-48-1-11, the payment obligations of the Qualified Entity in respect of its Amended Qualified Obligations is also subject to the provisions of Indiana Code 5-1.5-8-5 (and together with Indiana Code 20-48-1-11, the "Indiana State Intercept Programs"). In the event the Qualified Entity fails to pay its Amended Qualified Obligations when due, pursuant to Indiana Code 5-1.5-8-5, the Bond Bank may notify any department or agency of the State, including the State Treasurer, that is the custodian of money payable to the Qualified Entity (other than for goods or services provided by the Qualified Entity) of such default and the department or agency shall withhold the payment of that money from the Qualified Entity and pay it over to the Bond Bank for the purpose of paying the then due principal and interest on the Amended Qualified Obligations. There can be no assurance as to the levels or amounts of funds that may from time to time be available or that this provision of the Indiana Code will not be repealed.

The Indenture includes provisions providing for the implementation of the Indiana State Intercept Programs by the Trustee in the event the Qualified Entity should fail to pay its Amended Qualified Obligations when due. Specifically, in the event the Qualified Entity should default in its obligation to pay the principal of or interest on the Amended Qualified Obligations when due, the Trustee is required to *immediately* (i) notify the Bond Bank and the State Treasurer and (ii) file a claim with the State Treasurer for an amount equal to the amount of the principal of or interest on such Amended Qualified Obligations which was due under the terms thereof but which was not paid by the Qualified Entity.

### **Procedures for Property Assessment, Tax Levy and Collection**

The debt service payments by the Qualified Entity is payable from special ad valorem property taxes required by law to be levied or on behalf of the Qualified Entity. Article 10, Section 1 of the Constitution of the State of Indiana (the "Constitutional Provision") provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. The Indiana General Assembly enacted legislation (Indiana Code Title 6, Article 1.1, Chapter 20.6), which implements the Constitutional Provision and provides taxpayers with a tax credit for all property taxes in an amount that exceeds a certain percentage of the gross assessed value of eligible property. See "Circuit Breaker Tax Credit" herein for further details on the levy and collection of property taxes.

In 2015, real and personal property in the State is assessed as of March 1. Beginning in 2016, real and personal property in the State will be assessed each year as of January 1. On or before August 1 of each year, the County Auditor must submit to each underlying taxing unit a statement containing (i) information concerning the assessed valuation in the taxing unit for the next calendar year; (ii) the estimated assessed value of the taxing unit as of March 1<sup>st</sup> of that year; (iii) an estimate of the taxes to be distributed to the taxing unit during the last six months of the current calendar year; (iv) the current assessed valuation as shown on the abstract of charges; (v) the average

growth in assessed valuation in the taxing unit over the preceding three budget years, adjusted according to procedures established by Department of Local Government Finance (“DLGF”) to account for reassessment under certain provisions of the Indiana Code; and (vi) any other information at the disposal of the County Auditor that might affect the assessed value used in the budget adoption process. The estimated value is based on property tax lists delivered to the Auditor by the County Assessor on or before July 1.

The estimated value is used when the governing body of a local taxing unit meets to establish its budget for the next fiscal year (January 1 through December 31), and to set tax rates and levies. By statute, the budget, tax rate and levy must be established no later than November 1. The budget, tax levy and tax rate are subject to review and revision by the DLGF which, under certain circumstances, may revise, reduce or increase the budget, tax rate, or levy of a taxing unit. The DLGF may increase the tax rate and levy if the tax rate and levy proposed by the school corporation is not sufficient to make its lease rental payments. The DLGF must complete its actions on or before February 15. Taxing units have until December 31<sup>st</sup> of the calendar year immediately preceding the ensuing calendar year to file a shortfall appeal.

On or before March 15, the County Auditor prepares the tax duplicate, which is a roll of property taxes payable in that year. Beginning in 2015, the County Auditor, rather than the County Treasurer, is required to publish notice of the tax rate in accordance with Indiana statutes. The County Treasurer mails tax statements at least 15 days prior to the date that the first installment is due (due dates may be delayed due to a general reassessment or other factors). Property taxes are due and payable to the County Treasurer in two installments on May 10 and November 10, unless the mailing of tax bills is delayed or a later due date is established by order of the DLGF. If an installment of property taxes is not completely paid on or before the due date, a penalty of 10% of the amount delinquent is added to the amount due; unless the installment is completely paid within thirty (30) days of the due date and the taxpayer is not liable for delinquent property taxes first due and payable in a previous year for the same parcel, the amount of the penalty is five percent (5%) of the amount of the delinquent taxes. On May 11 and November 11 of each year after one year of delinquency, an additional penalty equal to 10% of any taxes remaining unpaid is added. The penalties are imposed only on the principal amount of the delinquency. Property becomes subject to tax sale procedures after 15 months of delinquency. The County Auditor distributes property tax collections to the various taxing units on or about June 30 after the May 10 payment date and on or about December 31 after the November 10 payment date.

Pursuant to State law, personal property is assessed at its actual historical cost less depreciation. Pursuant to State law, real property is valued for assessment purposes at its “true tax value” as defined in the Real Property Assessment Rule, 50 IAC 2.3, the 2011 Real Property Assessment Manual (“Manual”), as incorporated into 50 IAC 2.3 and the 2011 Real Property Assessment Guidelines, Version A (“Guidelines”), as adopted by the DLGF. The Manual defines “true tax value” for all real property, other than agricultural land, as “the market value-in-use of property for its current use, as reflected by the utility received by the owner or a similar user, from the property.” In the case of agricultural land, true tax value shall be the value determined in accordance with the Guidelines and IC 6-1.1-4-13. The Manual permits assessing officials in each county to choose any acceptable mass appraisal method to determine true tax value, taking into consideration the ease of administration and the uniformity of the assessments produced by that method. The Guidelines were adopted to provide assessing officials with an acceptable appraisal method, although the Manual makes it clear that assessing officials are free to select from any number of appraisal methods, provided that they produce “accurate and uniform values throughout the jurisdiction and across all classes of property”. The Manual specifies the standards for accuracy and validation that the DLGF uses to determine the acceptability of any alternative appraisal method.

“Net Assessed Value” or “Taxable Value” represents the “Gross Assessed Value” less certain deductions for mortgages, veterans, the aged, the blind, economic revitalization areas, resource recovery systems, rehabilitated residential property, solar energy systems, wind power devices, hydroelectric systems, geothermal devices and tax-exempt property. The “Net Assessed Value” or “Taxable Value” is the assessed value used to determine tax rates.

Changes in assessed values of real property occur periodically as a result of general reassessments scheduled by the State legislature, as well as when changes occur in the property value due to new construction or demolition of improvements. Before July 1, 2013, and before May 1 of every fourth year thereafter, the county assessor will prepare and submit to the DLGF a reassessment plan for each county. Beginning in 2016, the DLGF must complete its review and approval of the reassessment plan before January 1 of the year following the year in

which the reassessment plan is submitted by the county. The reassessment plan must divide all parcels of real property in the county into four (4) different groups of parcels. Each group of parcels must contain approximately twenty-five percent (25%) of the parcels within each class of real property in the county. All real property in each group of parcels shall be reassessed under the county's reassessment plan once during each four (4) year cycle. The reassessment of a group of parcels in a particular class of real property shall begin on May 1 of a year, and must be completed on or before January 1 of the year after the year in which the reassessment of the group of parcels begins. For real property included in a group of parcels that is reassessed, the reassessment is the basis for taxes payable in the year following the year in which the reassessment is to be completed. The county may submit a reassessment plan that provides for reassessing more than twenty-five percent (25%) of all parcels of real property in the county in a particular year. A plan may provide that all parcels are to be reassessed in one (1) year. However, a plan must cover a four (4) year period. All real property in each group of parcels shall be reassessed under the county's reassessment plan once during each reassessment cycle. The reassessment of the first group of parcels under a county's reassessment plan began on July 1, 2014 and was to be completed on or before January 1, 2015. Since 2007, all real property assessments are revalued annually to reflect market value based on comparable sales data ("Trending"). When a change in assessed value occurs, a written notification is sent to the affected property owner. If the owner wishes to appeal this action, the owner may file a petition requesting a review of the action. This petition must be filed with the county assessor in which the property is located within 45 days after the written notification is given to the taxpayer or May 10 of that year, whichever is later. While the appeal is pending, the taxpayer may pay taxes based on the current year's tax rate and the previous or current year's assessed value.

### **Circuit Breaker Tax Credit**

The Constitutional Provision, Article 10, Section 1 of the Constitution of the State of Indiana, provides that, for property taxes first due and payable in 2012 and thereafter, the Indiana General Assembly shall, by law, limit a taxpayer's property tax liability to a specified percentage of the gross assessed value of the taxpayer's real and personal property. Indiana Code § 6-1.1-20.6 (the "Statute") authorizes such limits in the form of a tax credit for all property taxes in an amount that exceeds the gross assessed value of real and personal property eligible for the credit (the "Circuit Breaker Tax Credit"). For property assessed as a homestead (as defined in Indiana Code § 6-1.1-12-37), the Circuit Breaker Tax Credit is equal to the amount by which the property taxes attributable to the homestead exceed 1% of the gross assessed value of the homestead. Property taxes attributable to the gross assessed value of other residential property, agricultural property, and long-term care facilities are limited to 2.0% of the gross assessed value, property taxes attributable to other non-residential real property and personal property are limited to 3.0% of the gross assessed value. The Statute provides additional property tax limits for property taxes paid by certain senior citizens.

If applicable, the Circuit Breaker Tax Credit will result in a reduction of property tax collections for each political subdivision in which the Circuit Breaker Tax Credit is applied. School corporations are authorized to impose a referendum tax levy, if approved by voters, to replace property tax revenue that the school corporation will not receive due to the application of the Circuit Breaker Tax Credit. Otherwise school corporations and other political subdivisions may not increase their property tax levy or borrow money to make up for any property tax revenue shortfall due to the application of the Circuit Breaker Tax Credit.

The Constitutional Provision excludes from the application of the Circuit Breaker Tax Credit property taxes first due and payable in 2012, and thereafter, that are imposed after being approved by the voters in a referendum. The Statute codifies this exception, providing that, with respect to property taxes first due and payable in 2012 and thereafter, property taxes imposed after being approved by the voters in a referendum will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute. In accordance with the Constitutional Provision, the General Assembly has, in the Statute, designated Lake County and St. Joseph County as "eligible counties" and has provided that property taxes imposed in these eligible counties to pay debt service and make lease rental payments for bonds or leases issued or entered into before July 1, 2008, will not be considered for purposes of calculating the limits to property tax liability under the provisions of the Statute, through and including December 31, 2019.

The Statute requires political subdivisions to fully fund the payment of outstanding debt service or lease rental obligations payable from property taxes ("Debt Service Obligations"), regardless of any reduction in property tax collections due to the application of the Circuit Breaker Tax Credit. For school corporations, any shortfall could

also be funded through the State Intercept Program (herein defined); however, application of the State Intercept Program will result in a shortfall in distributions to the school corporation's general fund so schools are encouraged by the DLGF to fund any shortfall directly from the school corporation's general fund and avoid the application of the State Intercept Program. Upon: (i) the failure of a political subdivision to pay any of its Debt Service Obligations; and (ii) notification of that event to the Treasurer of the State by a claimant; the Treasurer of State is required to pay the unpaid Debt Service Obligations from money in the possession of the State that would otherwise be available to the political subdivision under any other law. A deduction must be made: (i) first, from distributions of county adjusted gross, option, or economic development income taxes that would otherwise be distributed to the county; and (ii) second, from any other undistributed funds of the political subdivision in possession of the State.

Pursuant to HEA 1062 (effective March 25, 2014), if a school corporation has sufficient losses from the Circuit Breaker Tax Credit and has such losses timely certified by the DLGF, it will be an eligible school corporation under Indiana Code § 6-1.1-20.6-9.9 (an "Eligible School Corporation"). For 2014, 2015 and 2016, an Eligible School Corporation may allocate its Circuit Breaker Tax Credit loss, for each year, proportionately across all school corporation property tax funds, including the debt service fund, thereby being exempted from the protected taxes requirement described below. Pursuant to the LSA Fiscal Impact Statement accompanying the legislation, the Qualified Entity is not expected to have sufficient losses to qualify as an "Eligible School Corporation".

Except for an Eligible School Corporation, the Statute categorizes property taxes levied to pay Debt Service Obligations as "protected taxes," regardless of whether the property taxes were approved at a referendum, and all other property taxes as "unprotected taxes." The total amount of revenue to be distributed to a fund for which protected taxes were imposed shall be determined as if no Circuit Breaker Tax Credit was applied. The total amount of the loss in revenue due to the application of the Circuit Breaker Tax Credit must reduce only the amount of unprotected taxes distributed to a fund using the following criteria: (1) the reduction may be allocated in the amounts determined by the political subdivision using a combination of unprotected taxes of the political subdivision in those taxing districts in which the credit caused a reduction in protected taxes, and (2) the tax revenue and each fund of any other political subdivisions must not be affected by the reduction. If the allocation of property tax reductions to funds receiving only unprotected taxes is insufficient to offset the amount of the Circuit Breaker Tax Credit, the revenue for a fund receiving protected taxes will also be reduced. If a fund receiving protected taxes is reduced, the Statute provides that a political subdivision may transfer money from any other available source in order to meet its Debt Service Obligations. The amount of this transfer is limited to the amount by which the protected taxes are insufficient to meet Debt Service Obligations.

The Qualified Entity cannot predict the timing, likelihood or impact on property tax collections of any future actions taken, amendments to the Constitution of the State of Indiana or legislation enacted, regulations or rulings promulgated or issued to implement any such regulations, statutes or the Constitutional Provision described above or of future property tax reform in general. There has been no judicial interpretation of this legislation. In addition, there can be no assurance as to future events or legislation that may affect the Circuit Breaker Tax Credit or the collection of property taxes by the Qualified Entity.

According to the DLGF reports identified in APPENDIX A, the Circuit Breaker Tax Credit allocable to the Qualified Entity for budget years 2011 through 2015, are shown in APPENDIX A for the Qualified Entity.

The Circuit Breaker Tax Credit amounts above do not reflect the potential effect of any further changes in the property tax system or methods of funding local government that may be enacted by the Indiana General Assembly in the future. The effects of these changes could affect the Circuit Breaker Tax Credit and the impact could be material. Other future events, such as the loss of a major taxpayer, reductions in assessed value, increases in property tax rates of overlapping taxing units or the reduction in local option income taxes applied to property tax relief could increase effective property tax rates and the amount of the lost revenue due to the Circuit Breaker Tax Credit, and the resulting increase could be material.

### **Enforcement of Amended Qualified Obligations**

As the owner of the Amended Qualified Obligations, the Bond Bank has available to it all remedies available to owners or holders of securities issued by the Qualified Entity. The Act provides that, upon the sale and

delivery of the Amended Qualified Obligations to the Bond Bank, the Qualified Entity is deemed to have agreed that all statutory defenses to nonpayment are waived in the event that the Qualified Entity fails to pay principal of, or interest on, the Amended Qualified Obligations when due.

## **PLAN OF REFUNDING**

### **Provision for Payment of the Refunded Bonds**

The Refunded Bonds will be called for optional redemption on January 15, 2016 (the "Redemption Date"), at 100% of the principal amount thereof plus accrued interest to the Redemption Date. The refunding of the Refunded Bonds will be accomplished by depositing, concurrently with the issuance of the Bonds, a portion of the proceeds thereof, together with a portion of the proceeds of the Series 2015 A Bonds, and other moneys of the Bond Bank legally available therefor, in an irrevocable escrow account (the "Series 10 Escrow Account"), which will be held by The Bank of New York Mellon Trust Company, N.A., as escrow agent for the Refunded Bonds. Moneys on deposit in the Series 10 Escrow Account will be invested in certain direct obligations of the United States of America ("Governmental Obligations"), the principal of and interest on which, when due, together with earnings thereon and an initial cash deposit, will provide sufficient moneys for the payment of the principal of and interest on the Refunded Bonds when due and the redemption price of the Refunded Bonds called for optional redemption on the Redemption Date. Upon such deposits and investment, the Refunded Bonds will no longer be outstanding under the Prior Indenture (as defined in APPENDIX C herein), and the indebtedness with respect thereto will be discharged.

### **Verification of Mathematical Sufficiency of Series 10 Escrow Account**

London Witte Group, LLC, Indianapolis, Indiana, a firm of independent public accountants, will deliver to the Bond Bank and the Prior Trustee (as defined in APPENDIX C herein), its attestation report indicating that it has examined, in accordance with standards established by the American Institute of Certified Public Accountants, the information and assertions provided by the Bond Bank and others. Included in the scope of its examination will be a verification of the mathematical accuracy of the mathematical computations of the adequacy of the cash and the maturing principal of and interest on the Governmental Obligations deposited into the Series 10 Escrow Account to pay the principal of and interest on the Refunded Bonds when due and the redemption price of the Refunded Bonds on the Redemption Date described above.

## **THE ORIGINAL PROGRAM**

### **General**

Age discrimination laws, the rapid growth of many school corporations and market-driven increases in teachers' salaries caused significant increases with respect to the existing unfunded contractual retirement or severance liability of school corporations in the State. The contractual retirement or severance liability of a school corporation means the payments anticipated to be required to be made to employees of the school corporation upon or after the termination of their employment by the school corporation under an existing or previous employment agreement.

As a solution to this problem, the General Assembly enacted legislation authorizing school corporations to issue general obligation bonds to implement solutions to contractual retirement or severance liability. Originally, the General Assembly enacted, subsequently amended and later repealed Indiana Code 20-5-4-1.7. Following the repeal of Indiana Code 20-5-4-1.7, the General Assembly enacted Indiana Code 21-2-21-1.8, which has been recodified at Indiana Code 20-48-1-2. Bonds issued pursuant to Indiana Code 20-48-1-2 are payable out of ad valorem taxes to be collected on the taxable property within the boundaries of the school corporation. The school corporation's authority to issue such bonds is subject to the following limitations: (i) the school corporation did not issue bonds under Indiana Code 20-5-4-1.7 or issued bonds under Indiana Code 20-5-4-1.7 before April 14, 2003; (ii) the school corporation may issue such bonds only one time and the bonds have to be issued before July 1, 2006; (iii) the solution to which the bonds are contributing must be reasonably expected to reduce the school corporation's existing unfunded contractual liability for retirement or severance payments, as it existed on June 30, 2001; (iv) the

amount of bonds that may be issued for the purpose described above may not exceed two percent of the true tax value of property in the school corporation as of the date the school corporation issued bonds under Indiana Code 20-5-41.7 minus the amount of bonds the school corporation issued under Indiana Code 20-5-4-1.7 before its repeal; and (v) each year that a debt service levy is needed to satisfy the payment obligations on the bonds, the school corporation must reduce its total property tax levy for the school corporation's transportation, school bus replacement, capital projects, or art association and historical society funds in an amount equal to the property tax levy needed for debt service on such general obligation bonds.

In order to facilitate the implementation of solutions to the contractual retirement or severance liability by the school corporations, the Bond Bank established the Original Program, pursuant to which it issued bonds, including the Refunded Bonds, and used the proceeds to purchase pools of such bonds issued by school corporations, including the Prior Qualified Obligations.

### **Program Participation and Borrowing Limits**

To be considered for participation in the Original Program, a school corporation, including the Qualified Entity, submitted an application to the Bond Bank. Application information and data supplied by each school corporation seeking to participate in the Original Program, including the Qualified Entity, included among other things the following: the unaudited receipts and disbursements for certain calendar years; the anticipated receipts and disbursements for certain calendar years; a list of the ten largest taxpayers; tax collection history; historical and projected budget and levy information; and general economic and demographic information and data.

Upon receipt of applications for participation in the Original Program, each applying school corporation was analyzed to determine, consistent with the purposes of the Bond Bank, whether such school corporation would be recommended to participate in the Original Program. Such analysis consisted of an internal financial review undertaken by the Bond Bank and Crowe Horwath LLP, and the financial advisor to the Bond Bank at the time. The Qualified Entity described in APPENDIX A applied for participation in the Original Program, was analyzed by the Bond Bank and its prior financial advisor and was approved for participation in the Original Program by the Board of Directors of the Bond Bank.

The amount which a school corporation borrowed from the Bond Bank under the Original Program, including the Qualified Entity, was approved by the DLGF. Based on documentation and estimates supplied by the school corporation at or prior to the time of the issuance of the Refunded Bonds, including the Qualified Entity, the Bond Bank's financial advisor at that time performed certain computations to verify that such amount did not exceed two percent of the true tax value of property within the boundaries of the school corporation.

The Qualified Entity was required to represent and warrant certain matters to the Bond Bank in its Original Purchase Agreement in order to be eligible to participate in the Original Program. Similarly, in connection with the issuance of the Bonds, the Qualified Entity will again represent and warrant certain matters to the Bond Bank in its Purchase Agreement. See "FORM OF QUALIFIED ENTITY PURCHASE AGREEMENT" in APPENDIX D.

### **Refunding Bonds**

Pursuant to the Indenture and the Act, the Bond Bank may issue refunding bonds ("Refunding Bonds") to refund all or any part of the Bonds which may be outstanding. Refunding Bonds will be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of the Act, the Indenture and any Supplemental Indenture authorizing the issuance of the Refunding Bonds.

### **RISK FACTORS**

Purchasers of the Bonds are advised of certain risk factors with respect to the delivery and payment of the Amended Qualified Obligations by the Qualified Entity, and delivery and payment of the Bonds. This discussion is not intended to be all-inclusive, and other risks may also be present.

The ability of the Bond Bank to pay principal of, and interest on, the Bonds depends upon the receipt by the Bond Bank of payments pursuant to the Amended Qualified Obligations, including interest at the rates provided therein, from the Qualified Entity which is obligated to make such payments to the Bond Bank (after giving effect to the Call Rights Waiver/Modification Credits), sufficient to make such payments. The Bond Bank will not maintain a debt service reserve for the Bonds and the provisions of Indiana Code 5-1.5-5 do not apply to the Bonds. Indiana Code 5-1.5-5 pertains to the requirement that, if there is a deficiency in a debt service reserve fund securing obligations of the Bond Bank, the Chair of the Bond Bank must certify the amount of such a deficiency to the Indiana General Assembly for its consideration on whether to appropriate funds to restore the debt service reserve fund to its requirement.

Except as discussed above under “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Provisions for Payment of the Amended Qualified Obligations,” there is no source of funds available to make up for any deficiencies in the event of one or more defaults by the Qualified Entity in its payments on the Amended Qualified Obligations. There can be no representation or assurance that the Qualified Entity will receive sufficient taxes or other revenues or otherwise have sufficient funds available to make its required payments on the Amended Qualified Obligations. The Qualified Entity is required by law to levy a tax sufficient to pay debt service on its Amended Qualified Obligations, although the receipt of such revenues by the Qualified Entity is subject to, among other things, future economic conditions, actions by creditors, delays in tax collections as a result of reassessment and other conditions which are variable and not certain of prediction. For a description of procedures for providing for the payment of Amended Qualified Obligations, see the captions “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS — Provisions for Payment of the Amended Qualified Obligations,” “— Procedures for Property Assessment, Tax Levy and Collection” and “THE ORIGINAL PROGRAM.”

The remedies available to the Trustee, to the Bond Bank or to the owners of the Bonds upon the occurrence of an Event of Default under the Indenture or under the terms of the Amended Qualified Obligations purchased by the Bond Bank and the Purchase Agreement are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the United States Bankruptcy Code), the remedies provided in the Indenture and under the Purchase Agreement and the Amended Qualified Obligations may not be readily available or may be limited.

## **THE BONDS**

### **General Description**

The Bonds are issuable under the Indenture as fully registered bonds in denominations of \$5,000 or any integral multiple thereof. Each Bond will be dated the date of delivery and will bear interest from the most recent Interest Payment Date on which interest was paid prior to the date of authentication of such Bond, unless the Bond is authenticated on or before December 31, 2015, in which case interest will be paid from the original date of the Bond, or unless the Bond is authenticated after a Record Date but on or before the Interest Payment Date, in which case interest will be paid from the immediately succeeding Interest Payment Date.

The Bonds will be issued in the aggregate principal amount of \$1,510,000 and will mature and bear interest as set forth on the inside cover page of this Official Statement.

For so long as the Bonds are registered in the name of The Depository Trust Company (“DTC”) or its nominee, payments of the principal of, premium, if any, and interest on the Bonds will be paid only to DTC or its nominee. Interest on the Bonds will be paid on each Interest Payment Date by wire transfer to DTC or its nominee. Principal will be paid to DTC or its nominee upon presentation and surrender of the Bonds at the principal office of the Trustee. Neither the Bond Bank nor the Trustee will have any responsibility for the Beneficial Owner’s receipt from DTC or its nominee, or from any DTC Direct Participant or Indirect Participant, of any payments of principal or interest on the Bonds. See “THE BONDS — Book-Entry System.”

If the Bonds are no longer registered in the name of DTC or its nominee, or any other clearing agency, interest on the Bonds will be payable semiannually on January 15 and July 15 of each year, commencing on the first Interest Payment Date after the Bonds are no longer so registered by check issued by the Paying Agent dated the due

date and mailed one Business Day prior to each Interest Payment Date to the registered Owners as of the close of business on the most recent Record Date or by wire transfer to Owners of \$1,000,000 or more in principal amount of the Bonds upon written request of such owners. Principal will be payable on the maturity date of such Bond upon presentation of the Bond at the designated corporate trust office of the Trustee.

### **Optional Redemption**

The Bonds are not subject to optional redemption prior to maturity.

### **Mandatory Redemption**

The Bonds maturing on January 15, 2021 are Term Bonds and are also subject to mandatory sinking fund redemption prior to maturity at a price equal to the principal amount thereof, but without premium, plus accrued interest to the redemption date, on the dates indicated below:

<b>Date</b>	<b>Principal Amount</b>
January 15, 2016	\$135,000
July 15, 2016	130,000
January 15, 2017	135,000
July 15, 2017	135,000
January 15, 2018	135,000
July 15, 2018	130,000
January 15, 2019	130,000
July 15, 2019	140,000
January 15, 2020	145,000
July 15, 2020	145,000
January 15, 2021	150,000*

\* Final Maturity

The Trustee is required to credit against the mandatory sinking fund requirement for the Term Bonds maturing on January 15, 2021, as set forth above, any Bonds of such maturity delivered to the Trustee for cancellation or purchased for cancellation by the Trustee and canceled by the Trustee and not theretofore applied as a credit against any redemption obligation. Each Bond of such maturity so delivered or canceled will be credited by the Trustee at one hundred percent (100%) of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date. Any amount in excess of such amount will be credited to future redemption obligations, and the principal amount of such Bonds of such maturity to be redeemed by operation of the mandatory sinking fund requirements will be accordingly reduced; provided, however, the Trustee will credit such Bond only to the extent they are received on or before 45 days preceding the applicable mandatory redemption date as set forth above.

### **Notice of Redemption**

Notice of any redemption, identifying the Bonds to be redeemed, will be given by the Trustee at least 30 days but not more than 45 days prior to the Redemption Date by mailing a copy of the redemption notice by registered or certified mail to the registered Owner of each Bond to be redeemed at the address shown on the Bond Register; provided, however, if any Term Bond is subject to mandatory sinking fund redemption on a date which is less than thirty (30) days after the date of issuance of the applicable Series of Bonds, the Trustee shall mail a copy of the redemption notice by first class, registered or certified mail, no later than one (1) business day after the date of issuance of the applicable Series of Bonds.

For so long as the Bonds are registered in the name of DTC or its nominee, the Trustee will send notices of redemption of Bonds only to DTC or its nominee, in accordance with the preceding paragraph. Neither the Bond Bank nor the Trustee will have any responsibility for any Beneficial Owner's receipt from DTC or its nominee, or

from any DTC Direct Participant or Indirect Participant, of any notices of redemption. See “THE BONDS — Book-Entry System.”

### **Redemption Payments**

Prior to the date fixed for redemption, there must be on deposit with the Trustee sufficient funds to pay the redemption price of the Bonds subject to redemption, together with the accrued interest on the Bonds to the redemption date. After the redemption date, if sufficient funds have been deposited with the Trustee, interest will cease to accrue on the Bonds that have been called for redemption.

For so long as the Bonds are registered in the name of DTC or its nominee, redemption payments on the Bonds will be paid by the Trustee only to DTC or its nominee, in accordance with the preceding paragraph. Neither the Bond Bank nor the Trustee will have any responsibility for any Beneficial Owner’s receipt from DTC or its nominee, or from any DTC Direct Participant or Indirect Participant, of any redemption payments on any Bonds. See “THE BONDS — Book-Entry System.”

### **Selection of Bonds for Redemption**

If fewer than all of the Bonds are to be redeemed, the Bonds will be redeemed only in whole multiples of \$5,000. For purposes of redemption, each \$5,000 of principal will be considered as a Bond. If fewer than all of the Bonds will be called for redemption, the principal amount and maturity of the particular Bonds to be redeemed will be selected by the Bond Bank. The Trustee will select the particular Bonds to be redeemed by lot within a maturity in such manner as the Trustee may determine.

For so long as the Bonds are registered in the name of DTC or its nominee, the Trustee will select for redemption only Bonds or portions thereof registered in the name of DTC or its nominee, in accordance with the preceding paragraph. Neither the Bond Bank nor the Trustee will have any responsibility for selecting for redemption any Beneficial Owner’s interests in the Bonds. See “THE BONDS — Book-Entry System.”

### **Exchange and Transfer**

The Bonds may be transferred or exchanged at the designated corporate trust office of the Trustee, to the extent and upon the conditions set forth in the Indenture, including the payment of a sum sufficient to cover any tax or other governmental charge for any such transfer or exchange that may be imposed upon the Bond Bank or the Trustee.

If any Bond is mutilated, lost, stolen or destroyed, the Bond Bank may issue and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Indenture including an indemnity satisfactory to both, and the Bond Bank and the Trustee may charge the holder or Owner of such Bonds for its reasonable fees and expenses in connection therewith, including the cost of having a replacement Bond printed.

For so long as the Bonds are registered in the name of DTC or its nominee, the Trustee will transfer and exchange Bonds only on behalf of DTC or its nominee, in accordance with the preceding paragraph. Neither the Bond Bank, nor the Trustee will have any responsibility for transferring or exchanging any Beneficial Owner’s interests in the Bonds. See “THE BONDS — Book-Entry System.”

### **Book-Entry System**

The information provided in this caption has been provided by DTC. No representation is made by the Bond Bank, the Trustee or the Underwriters as to the accuracy or adequacy of such information provided by DTC or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Depository Trust Company (“DTC”), New York, New York, will act as the depository for the Bonds. The Bonds will be issued as fully-registered Bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. The ownership of one

fully-registered Bond for each maturity, each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co.

DTC, the world's largest depository is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating: AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission ("SEC"). More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption and tender notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an "Omnibus Proxy" to the Bond Bank, as soon as possible after the Record Date. The "Omnibus Proxy" assigns Cede & Co.'s consenting or voting rights to those DTC Participants to whose accounts the Bonds are credited on the Record Date (identified in a listing attached to the "Omnibus Proxy").

Payments of principal, interest, redemption prices and purchase prices, respectively, on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee or the Bond Bank, on payable date in accordance with their respective holdings shown on DTC's records. Payments by DTC Participants to Beneficial Owners will be governed by standing instructions and customary practices, as in the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the Bond Bank, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest, redemption prices and purchase prices to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee as well as the Bond Bank, as the case may be. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Bond Bank and the Trustee, as applicable. Under such circumstances, in the event that a successor securities depository is not obtained, the Bonds are required to be printed and delivered.

THE INFORMATION PROVIDED ABOVE HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE BOND BANK, THE TRUSTEE OR THE UNDERWRITERS AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

For so long as the Bonds are registered in the name of DTC or its nominee, Cede & Co., the Bond Bank and the Trustee will recognize only DTC or its nominee, Cede & Co., as the registered owner of the Bonds for all purposes, including payments, notices and voting.

The Trustee and the Bond Bank, with respect to the Bonds may decide to discontinue use of the system of book entry transfers through DTC (or a successor securities depository). Once the Bond Bank has requested that holders withdraw securities from DTC, DTC will notify its Participants of such request and such Participants may utilize DTC's withdrawal process to withdraw their Bonds from DTC. In the event a Participant utilizes DTC's withdrawal process, the Bonds will be printed and delivered.

Under the Indenture, payments made by the Trustee to DTC or its nominee will satisfy the Bond Bank's obligations under the Indenture to the extent of the payments so made.

Neither the Bond Bank, the Underwriters nor the Trustee will have any responsibility or obligation with respect to (i) the accuracy of the records of DTC, its nominee or any DTC Participant or Indirect Participant with respect to any beneficial ownership interest in any Bond, (ii) the delivery to any DTC Participant or Indirect Participant or any other Person, other than an owner, as shown in the Bond Register, of any notice with respect to any Bond including, without limitation, any notice of redemption, tender, purchase or any event which would or could give rise to a tender or purchase right or option with respect to any Bond, (iii) the payment of any DTC Participant or Indirect Participant or any other Person, other than an owner, as shown in the Bond Register, of any amount with respect to the principal of, premium, if any, or interest on, or the purchase price of, any Bond or (iv) any consent given by DTC as registered owner.

Prior to any discontinuation of the book-entry only system described above, the Bond Bank and the Trustee may treat DTC as, and deem DTC to be, the absolute owner of the Bonds for all purposes whatsoever, including, without limitation, (i) the payment of principal of, premium, if any, and interest on the Bonds, (ii) giving notices of

redemption and other matters with respect to the Bonds, (iii) registering transfers with respect to the Bonds and (iv) the selection of Bonds for redemption.

## **OPERATION OF FUNDS AND ACCOUNTS**

The Indenture creates the following Funds and Accounts held by the Trustee:

### **General Fund**

General Fund, consisting of:

- (a) General Account
- (b) Redemption Account
- (c) Bond Issuance Expense Account

## **General Account**

The Trustee will deposit in the General Account all Revenues and all income or gain on Investment Securities attributable to any fund or account.

Moneys in the General Account of the General Fund will be disbursed as follows: (i) not later than 10:00 a.m., Indianapolis time, one (1) Business Day prior to each Interest Payment Date, to the Trustee such amounts as may be necessary to pay interest due to be paid on Outstanding Bonds on such Interest Payment Date; (ii) not later than 10:00 a.m., Indianapolis time, one (1) Business Day prior to each Interest Payment Date, to the Trustee such amounts as may be necessary, if any, to pay principal due to be paid on Outstanding Bonds on such Interest Payment Date; and (iii) as necessary to the Bond Bank amounts to pay Program Expenses.

## **Redemption Account**

There will be deposited in the Redemption Account all moneys received upon the sale or optional or mandatory redemption (prior to maturity) of Amended Qualified Obligations and all other moneys required to be deposited therein pursuant to the Indenture. Moneys in the Redemption Account will be distributed as follows: (i) on the last day of each month, to the General Account, an amount equal to the principal which would have been payable during the following month if such Amended Qualified Obligations had not been sold or redeemed prior to maturity, (ii) on the second Business Day prior to any Interest Payment Date, if amounts in the General Account are not sufficient to make the payments of principal and interest required to be made on such date, to the General Account amounts in the Redemption Account available for such transfer and not otherwise committed under the Indenture to the redemption of Bonds for which notice of redemption has been given; and (ii) after provision has been made for the payments required under (i) and (ii) above to (a) redeem Bonds of such maturity or maturities as may be directed by an Authorized Officer if such Bonds are then subject to redemption; (b) to the extent there are moneys in the Redemption Account, transferred to the General Account; (c) purchase Bonds of such maturity or maturities as directed by an Authorized Officer at the most advantageous price obtainable with reasonable diligence, whether or not such Bonds will then be subject to redemption; or (d) make investments of such moneys until the payment of the Bonds at their maturities or maturity in accordance with the Indenture. Such price may not, however, exceed the redemption price which would be payable on the next ensuing redemption date on which the Bonds so purchased are redeemable according to their terms unless the Trustee is provided with a Cash Flow Certificate as described in the Indenture. The Trustee will pay the interest accrued on any Bonds so purchased to the date of delivery thereof from the General Account and the balance of the purchase price from the Redemption Account, but no such purchase will be made by the Trustee within the period of sixty (60) days next preceding an Interest Payment Date or a date on which such Bonds are subject to redemption.

At the direction of the Bond Bank, the Trustee may transfer any amounts in the Redemption Account to the General Account of the General Fund provided that the Trustee is provided with a Cash Flow Certificate taking into account such transfer.

## **Bond Issuance Expense Account**

The Trustee will deposit \$5,500.00 of the proceeds of the Bonds and \$56,375.00 of funds on hand in the Bond Issuance Expense Account for the purpose of paying the costs associated with issuing the Bonds. Moneys in the Bond Issuance Expense Account will be disbursed to pay Costs of Issuance of the Bonds or to reimburse the Bond Bank for amounts previously advanced for such costs, upon the Trustee's receipt of acceptable invoices or requisitions. All funds in the Bond Issuance Expense Account which are not expended for Costs of Issuance on the date which is two hundred ten (210) days following the date of issuance of the Bonds will be transferred to the General Account of the General Fund, at which time the Bond Issuance Expense Account may, at the direction of the Bond Bank, be closed.

## **Amounts Remaining in Funds**

Any amounts remaining in any Fund or Account after full payment of all of the Bonds outstanding under the Indenture and the fees, charges and expenses of the Trustee will be distributed to the Bond Bank, unless otherwise provided for in the Indenture.

## **Investment of Funds**

Moneys held as a part of any Fund or Account (except the Redemption Account) under the Indenture will be invested and reinvested at all times as fully as reasonably possible by the Trustee in investments defined to be Investment Securities under the Indenture and in accordance with the provisions of the Act and the terms and conditions of the Indenture.

The Bond Bank will direct the Trustee (with such direction to be confirmed in writing) in the investment of such moneys. The Bond Bank will so direct the Trustee, and the Bond Bank and the Trustee will make all such investments of moneys under the Indenture, in accordance with prudent investment standards reasonably expected to produce the greatest investment yields while seeking to preserve principal.

All investments will be a part of the Fund or Account from which moneys were used to acquire such investments, and all income and profits on such investments will be deposited as received in the General Account. Any investment income, gains or losses will be charged to the Fund or Account from which moneys were employed to invest in the Investment Security, and the Trustee will not be liable for any investment losses so long as the Trustee complies with the provisions of the Indenture. Moneys in any Fund or Account will be invested in Investment Securities with maturity dates (or redemption dates determinable at the option of the owner of such Investment Securities) coinciding as nearly as practicable with the times at which moneys in such Funds or Accounts will be required for transfer or disbursement under the Indenture. The Trustee will sell and reduce to cash at the best price reasonably obtainable sufficient amounts of such Investment Securities in the respective Fund or Account as may be necessary to make up a deficiency in any amounts contemplated to be disbursed from such Fund or Account.

## **THE BONDS AS LEGAL INVESTMENTS**

Under the Act, all financial institutions, investment companies, insurance companies, insurance associations, executors, administrators, guardians, trustees and other fiduciaries in the State may legally invest sinking funds, money or other funds belonging to or within the control of such fiduciaries in the bonds and notes of the Bond Bank issued under the Act, including the Bonds.

## **LITIGATION**

### **Bond Bank**

There is not now pending or, to the Bond Bank's knowledge, threatened any litigation (1) restraining or enjoining the issuance, sale, execution or delivery of the Bonds, (2) prohibiting the Bond Bank from purchasing the Amended Qualified Obligations with the proceeds of such Bonds, (3) in any way contesting or affecting the validity of the Bonds or (4) restraining or enjoining any proceedings of the Bond Bank taken with respect to the issuance or sale thereof or the pledge or application of any moneys or security provided for the payment of the Bonds. Neither the creation, organization or existence of the Bond Bank nor the title of any of the present Directors or other officers of the Bond Bank to their respective offices is being contested.

### **Qualified Entity**

Prior to closing on the Bonds, the Bond Bank will receive a certification from the Qualified Entity to the effect that there is no action, suit, proceeding, inquiry or investigation, at law or in equity, pending or threatened against the Qualified Entity, wherein an unfavorable decision, ruling or finding would in any material respect

adversely affect the transactions contemplated by the Qualified Entity's Purchase Agreement in the form attached as APPENDIX D-2.

### **TAX MATTERS**

Interest on the Bonds is not excludable from gross income for federal income tax purposes. In the opinion of Ice Miller LLP, Bond Counsel, under existing laws, interest on the Bonds is exempt from income taxation in the State of Indiana for all purposes, except for the State financial institutions tax. See APPENDIX B attached hereto for form of Bond Counsel Opinion.

The foregoing does not purport to be a comprehensive discussion of the tax consequences of owning the Bonds. Prospective owners of the Bonds should consult their own tax advisors with respect to the foregoing and other tax consequences of owning the Bonds.

### **LEGAL MATTERS**

Certain legal matters incident to the authorization and issuance of the Bonds by the Bond Bank are subject to the approval of Ice Miller LLP, Indianapolis, Indiana, Bond Counsel, whose approving opinion will be delivered with the Bonds substantially in the form attached as APPENDIX B hereto. Certain legal matters will be passed upon for the Bond Bank by its general counsel, Barnes & Thornburg LLP, Indianapolis, Indiana and its disclosure counsel, Krieg DeVault LLP, Indianapolis, Indiana. Certain legal matters will be passed upon for the Underwriters by their counsel, Bose McKinney & Evans LLP, Indianapolis, Indiana.

Ice Miller LLP, Indianapolis, Indiana, serves as bond counsel to the Qualified Entity in connection with the execution and delivery of its Amended Qualified Obligations and will be passing on certain legal matters in connection therewith.

The remedies available to the Trustee, to the Bond Bank or to the owners of the Bonds upon an Event of Default under the Indenture, under the terms of the Amended Qualified Obligations purchased by the Bond Bank, under the terms of the Purchase Agreement are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code (the United States Bankruptcy Code), the remedies provided in the Indenture and under the Amended Qualified Obligations or the Purchase Agreement may not be readily available or may be limited. Under Federal and State environmental laws, certain liens may be imposed on property of the Bond Bank or the Qualified Entity from time to time, but the Bond Bank has no reason to believe, under existing law, that any such lien would have priority over the lien on the payments on the Amended Qualified Obligations pledged to owners of the Bonds under the Indenture or over the lien on the property taxes pledged to the owner of the Amended Qualified Obligations under its resolution. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally (regardless of whether such enforceability is considered in a proceeding in equity or in law), by general principles of equity (regardless of whether such proceeding is considered in a proceeding in equity or at law) and by the valid exercise of the constitutional powers of the Qualified Entity, the State and the United States of America. These exceptions would encompass any exercise of any of the Qualified Entity's police powers in a manner consistent with the public health and welfare. Enforceability of the Indenture, the Amended Qualified Obligations or the Purchase Agreement in situations where such enforcement may adversely affect public health and welfare may be subject to the police powers of the State or any of the Qualified Entity.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. By rendering a legal opinion, the opinion giver does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of parties to such transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

## **RATING**

Standard & Poor's Ratings Services ("S&P") has assigned a rating of "A" State Intercept Program to the Bonds. This rating reflects only the view of S&P. Such rating is not a recommendation to buy, sell or hold the Bonds. There is no assurance that such rating will remain in effect for any given period of time or that such rating will not be lowered or withdrawn entirely by S&P if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of the rating may have an adverse effect upon the market price or marketability of the Bonds.

The rating on the Bonds is based upon the Bonds meeting S&P's State Intercept Program rating criteria and is not an underlying rating of the Qualified Entity. The rating criteria requires that the Qualified Entity demonstrates State Aid equal to at least one times maximum annual debt service coverage on all of its existing debt which the Qualified Entity has demonstrated. S&P's State Intercept Program rating criteria methodology is subject to change in the future as determined by S&P.

## **UNDERWRITING**

Under a bond purchase contract entered into between the Underwriters and the Bond Bank, the Bonds are being purchased by the Underwriters for reoffering at an aggregate purchase price of \$1,492,197.10. The purchase price reflects the principal amount of the Bonds, less original issue discount of \$7,550.00 and an aggregate Underwriters' discount of \$10,252.90. The bond purchase contract provides that the Underwriters will purchase all of the Bonds if any are purchased. The obligations of the Bond Bank to deliver the Bonds and of the Underwriters to accept delivery of the Bonds are subject to various conditions contained in the bond purchase contract.

## **CERTAIN RELATIONSHIPS**

Raymond James & Associates, Inc., the representative of the Underwriters, will receive compensation for serving as bidding agent in conducting a competitive bid procurement process for the investment of some or all of the proceeds of the Bonds in the respective Escrow Accounts.

The Underwriters may have underwriting, banking and other relationships with the Qualified Entity. Either or both of the Underwriters may be currently serving, have served or may at some future time, serve as underwriter or placement agent with respect to securities being offered by the Qualified Entity, or entities acting on behalf of the Qualified Entity. The Underwriters are each a registered municipal advisor, however neither is acting as such with respect to the Qualified Entity with respect to its Amended Qualified Obligations.

## **CONTINUING DISCLOSURE**

Pursuant to the Qualified Entity Disclosure Agreement, the Qualified Entity will agree to annually provide the Bond Bank with certain financial information and operating data as well as certain event notices as required by Rule 15c2-12, as amended (the "Rule"), promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Qualified Entity Disclosure"). Pursuant to the Bond Bank Disclosure Agreement (as defined herein), the Bond Bank has agreed to file the Qualified Entity Disclosure with the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access ("EMMA") system.

The Bond Bank will also execute a continuing disclosure agreement (the "Bond Bank Disclosure Agreement") (see APPENDIX F "Form of Bond Bank Continuing Disclosure Agreement") for the benefit of the beneficial owners of the Bonds. Pursuant to the Bond Bank Disclosure Agreement, the Bond Bank agrees to provide to the MSRB, through EMMA, the Qualified Entity Disclosure and certain event notices with respect to the

Bonds as required by the Rule. The disclosure obligations of the Bond Bank and the Qualified Entity are referred to herein as the “Undertakings.”

The Undertakings will only be provided while the Bonds are outstanding or until the Bonds or the Amended Qualified Obligations are legally defeased, redeemed or paid in full.

### **Remedy**

The purpose of the Undertakings is to enable the Underwriters to purchase the Bonds in satisfaction of the Rule. The Undertakings are solely for the benefit of the holders and Beneficial Owners of the Bonds. The sole remedy against the Bond Bank or the Qualified Entity for any failure to carry out any provision of the Undertakings will be for specific performance of the Bond Bank’s or the Qualified Entity’s disclosure obligations under the Undertakings. The Trustee may (and, at the request of the holders of at least 25% in aggregate principal amount of Outstanding Bonds, will), or any holder or Beneficial Owner of the Bonds, may seek a mandate or specific performance by court order, to cause the Bond Bank or the Qualified Entity to comply with its obligations under the Undertakings. For the purposes of this section only, “Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding any Bonds through nominees, depositories or other intermediaries) or (b) is treated as the owner of any Bond for federal income tax purposes.

Failure on the part of the Bond Bank or the Qualified Entity to honor its Undertaking will not constitute a breach or default under the Bonds, the Indenture, the Amended Qualified Obligations or any other agreement to which the Bond Bank or the Qualified Entity is a party.

### **Modification of Undertakings**

The Bond Bank, the Trustee and the Qualified Entity may, from time to time, amend any provision of the Undertakings without the consent of the holders or Beneficial Owners of the Bonds if: (a) such amendment (if related to certain provisions of the Undertakings) is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the Bond Bank or the Qualified Entity or type of business conducted, (b) the respective Undertaking, as so amended, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule on the date of execution thereof, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and (c) such amendment either (i) is approved by the holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of holders or (ii) in the opinion of nationally recognized bond counsel, does not materially impair the interests of the holders or Beneficial Owners of the Bonds.

Copies of the Undertakings are available from the Bond Bank upon request.

### **Bond Bank and Qualified Entity Compliance with Previous Undertakings**

In the previous five years, the Bond Bank has never failed to comply, in all material respects, with any previous undertakings in a written contract or agreement that the Bond Bank entered into pursuant to subsection (b)(5) of the Rule. The Bond Bank makes no representation or warranty, and expresses no view or opinion, regarding whether, during the previous five years, the Qualified Entity has ever failed to comply, in all material respects, with any previous undertakings in a written contract or agreement that the Qualified Entity has entered into pursuant to subsection (b)(5) of the Rule. We have examined the law and the certified transcript of proceedings of the Bond Bank relative to the authorization, issuance and sale of the Bonds and such other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon the certified transcript of proceedings and other certificates of public officials and we have not undertaken to verify any facts by independent investigation.

Based upon our examination, we are of the opinion, as of the date hereof, as follows:

We express no opinion with respect to the laws of any jurisdiction other than the federal laws of the United States of America and the State. The opinion expressed above is based upon such laws as are in effect on the date hereof and we expressly disclaim any undertaking to advise you of any subsequent changes therein.

It is to be understood that the rights of the registered owners of the Bonds and the enforceability of the Bonds may be subject to (i) bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of law and equity; and (ii) the valid exercise of the constitutional powers of the State and the United States of America. We express no opinion with regard to particular remedies available to registered owners of the Bonds.

This summary is qualified in its entirety by reference to the Indenture. Capitalized terms not otherwise defined in this Official Statement shall have the meanings ascribed thereto in the Indenture.

#### GENERAL TERMS AND PROVISIONS OF BONDS

##### **Nonpresentment of Bonds**

In the event any Bond is not presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or as set forth in any Supplemental Indenture regarding deemed tenders or redemptions or otherwise, and if funds sufficient to pay such Bond have been made available to the Trustee for the benefit of the owner thereof, all liability of the Bond Bank to the owner thereof for the payment of such Bond will forthwith cease, terminate and be completely discharged, and thereupon it will be the duty of the Trustee to hold such funds uninvested for five (5) years, for the benefit of the owner of such Bond, without liability for interest thereon to such owner, who will thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under the Indenture or on, or with respect to, such Bond.

Any money so deposited with and held by the Trustee in trust for the payment of the principal of and interest on the Bonds and remaining unclaimed by any Bondholder for five (5) years after the due date of such principal or interest, will be applied by the Trustee in accordance with the Unclaimed Property Act, Indiana Code 32-34-1, as amended from time to time. Prior to the transfer of any such moneys to the Attorney General of the State in accordance with the Unclaimed Property Act, the Trustee will conduct searches in an effort to locate lost Bondholders using reasonable care to ascertain the correct addresses of all lost Bondholders in accordance with the rules governing registered transfer agents promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, but only if and so long as the Trustee is a registered transfer agent under those rules. Upon the transfer of such moneys to the Attorney General of the State in accordance with the Unclaimed Property Act, the Bond Bank and the Trustee will have no further responsibility or liability with respect to such moneys, and the Bondholders entitled to such principal or interest must look only to the State for payment, to the extent provided by law, and then only to the extent of the amounts so received by the State, without any interest thereon.

The Bonds do not constitute a debt or liability of the State or of any political subdivision thereof under the constitution of the State or a pledge of the faith and credit of the State or any political subdivision thereof, but will be payable solely from the Revenues and funds pledged therefor in accordance with the Indenture. The issuance of the Bonds under the provisions of the Act does not directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment and such Bonds and the interest payable thereon do not now and will never constitute a debt of the State or any political subdivision thereof within the meaning of the constitution of the State or the statutes of the

State and do not now and will never constitute a charge against the credit or taxing power of the State or any political subdivision thereof. Neither the State nor any agent, attorney, member or employee of the State or the Bond Bank, will in any event be liable for the payment of the principal of, and premium, if any, or interest on the Bonds or damages, if any, for the nonperformance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Bond Bank. The Trustee will deposit the proceeds from any Refunding Bonds in the manner provided in the Supplemental Indenture authorizing the issuance thereof.

## OPERATION OF FUNDS AND ACCOUNTS

### A. General Fund

#### 1. General Account

The Trustee will deposit into the General Account all money required to be deposited therein by the Indenture for the purpose of paying all or a portion of the interest to become due on any series of Bonds from time to time. The Trustee will also deposit in the General Account all Revenues and all income or gain on Investment Securities attributable to any fund or account.

Moneys in the General Account of the General Fund will be disbursed in the following order of priority: (i) not later than 10:00 a.m., Indianapolis time, one (1) Business Day prior to each Interest Payment Date, to the Trustee such amounts as may be necessary to pay principal and interest due to be paid on Outstanding Bonds on such Interest Payment Date; (ii) as necessary to the Bond Bank amounts to pay Program Expenses but only to the extent contemplated in the most recent Cash Flow Certificate; and (iii) after making such preceding deposits and disbursements and after the Trustee makes a determination of the amounts reasonably expected to be received in the form of Qualified Obligation Payments under the Indenture in the next succeeding 12 months, to any other fund or account maintained by the Bond Bank (regardless of whether such fund or account is subject to the lien of the Indenture) all moneys in the General Fund which, together with such expected receipts for the succeeding 12 months, are in excess of the amounts needed to pay principal of and interest on the Bonds within the succeeding 12-month period. No such moneys will be so transferred unless the Bond Bank provides the Trustee with a Cash Flow Certificate to the effect that after such transfer, Revenues expected to be received, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any.

#### 2. Redemption Account

There will be deposited in the Redemption Account all moneys received upon the sale or optional or mandatory redemption (prior to maturity) of any Qualified Obligations and all other moneys required to be deposited therein pursuant to the Indenture. Moneys in the Redemption Account will be distributed as follows: (i) on the last day of each month, to the General Account, an amount equal to the principal which would have been payable during the following month if such Qualified Obligations had not been sold or redeemed prior to maturity, (ii) on the second Business Day prior to any Interest Payment Date, if amounts in the General Account are not sufficient to make the payments of principal and interest required to be made on such date, to the General Account amounts in the Redemption Account available for such transfer and not otherwise committed under the Indenture to the redemption of Bonds for which notice of redemption has been given; and (iii) after provision has been made for the payments required under (i) and (ii) above to (a) redeem Bonds of such maturity or maturities as may be directed by an Authorized Officer if such Bonds are then subject to redemption; (b) to the extent there are moneys in the Redemption Account, transferred to the General Account; (c) purchase Bonds of such maturity or maturities as directed by an Authorized Officer at the most advantageous price obtainable with reasonable diligence, whether or not such Bonds will then be subject to redemption; or (d) make investments of such moneys until the payment of the Bonds at their maturities or maturity in accordance with the Indenture. Such price may not, however, exceed the redemption price which would be payable on the next ensuing redemption date on which the Bonds so purchased are redeemable according to their terms unless the Trustee is provided with a Cash Flow Certificate as described in the Indenture. The Trustee will pay the interest accrued on any Bonds so purchased to the date of delivery thereof from the General Account and the balance of the purchase price from the Redemption Account, but no such purchase will be made by the Trustee within the period of sixty (60) days next preceding an Interest Payment Date or a date on which such Bonds are subject to redemption.

In the event the Trustee is unable to purchase Bonds in accordance with the subparagraph (iii)(c) hereof, then, subject to any restrictions on redemption set forth in the Indenture, the Trustee will call for redemption on the next ensuing redemption date such amount of Bonds of such maturity or maturities as directed by an Authorized Officer as, at the Redemption Price thereof, will exhaust the Redemption Account as nearly as may be possible. Such redemption will be made pursuant to the provisions of the Indenture. The Trustee will pay the interest accrued

on the Bonds so redeemed to the date of redemption from the General Account and the Redemption Price from the Redemption Account.

At the direction of the Bond Bank, the Trustee may transfer any amounts in the Redemption Account to the General Account of the General Fund provided that the Trustee is provided with a Cash Flow Certificate taking into account such transfer.

### 3. Bond Issuance Expense Account

The Trustee will deposit into the Bond Issuance Expense Account all money required to be deposited therein by the Indenture for the purpose of paying the costs associated with issuing the Bonds. Moneys in the Bond Issuance Expense Account will be disbursed to pay Costs of Issuance of the Bonds or to reimburse the Bond Bank for amounts previously advanced for such costs, upon the Trustee's receipt of acceptable invoices or requisitions. All funds in the Bond Issuance Expense Account remaining therein after two hundred ten (210) days following the issuance of the Bonds will be transferred to the General Account of the General Fund, at which time the Bond Issuance Expense Account may, at the direction of the Bond Bank, be closed.

### **Amounts Remaining in Funds**

Any amounts remaining in any Fund or Account after full payment of all of the Bonds outstanding under the Indenture and the fees, charges and expenses of the Trustee will be distributed to the Bond Bank, unless otherwise provided for in the Indenture.

### **Investment of Funds**

Moneys held as a part of any Fund or Account (except the Redemption Account) under the Indenture will be invested and reinvested at all times as fully as reasonably possible by the Trustee in investments defined to be Investment Securities under the Indenture and in accordance with the provisions of the Act and the terms and conditions of the Indenture.

The Bond Bank will direct the Trustee (with such direction to be confirmed in writing) in the investment of such moneys. The Bond Bank will so direct the Trustee, and the Bond Bank and the Trustee will make all such investments of moneys under the Indenture, in accordance with prudent investment standards reasonably expected to produce the greatest investment yields while seeking to preserve principal.

All investments will be a part of the Fund or Account from which moneys were used to acquire such investments, and all income and profits on such investments will be deposited as received in the General Account. Any investment income, gains or losses will be charged to the Fund or Account from which moneys were employed to invest in the Investment Security, and the Trustee will not be liable for any investment losses so long as the Trustee complies with the provisions of the Indenture. Moneys in any Fund or Account will be invested in Investment Securities with maturity dates (or redemption dates determinable at the option of the owner of such Investment Securities) coinciding as nearly as practicable with the times at which moneys in such Funds or Accounts will be required for transfer or disbursement under the Indenture. The Trustee will sell and reduce to cash at the best price reasonably obtainable sufficient amounts of such Investment Securities in the respective Fund or Account as may be necessary to make up a deficiency in any amounts contemplated to be disbursed from such Fund or Account.

## **BOND BANK COVENANTS**

### **Covenants Concerning the Program**

In order to provide for the payment of the principal of, premium if any, and interest on the Bonds and of Program Expenses, the Bond Bank will from time to time, with all practical dispatch and in a sound and economical manner in accordance with the Act, the Indenture and sound banking practices and principals (i) do all acts and things as are necessary to receive and collect Revenues (including the enforcement of the prompt collection of any

arrears on all Qualified Obligation Payments), and (ii) diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Bond Bank to protect the rights of the Bond Bank with respect to the Qualified Obligations and to enforce all terms, covenants and conditions of the Qualified Obligations. Whenever necessary in order to provide for the payment of principal of and interest on the Bonds, the Bond Bank will also commence appropriate remedies with respect to any Qualified Obligation which is in default. Whenever a Qualified Entity defaults on the payment of principal of or interest on a Qualified Obligation held under the Indenture, the Trustee will immediately notify the Bond Bank and the Treasurer of the State. Notwithstanding any other provision of the Indenture, upon the default by any Qualified Entity in the payment of principal of or interest on a Qualified Obligation, the Trustee will immediately, without any direction, security or indemnity, file a claim with the Treasurer of the State of such default, which claim shall be for an amount equal to the amount of the principal of or interest on such Qualified Obligation which was due under the terms of such Qualified Obligation but which was not paid by such Qualified Entity.

### **Accounts and Reports**

The Bond Bank will keep proper and separate books of records and accounts in which complete and correct entries will be made of its transactions relating to the Funds and Accounts established by the Indenture. Such books, and all other books and papers of the Bond Bank, and all Funds and Accounts will at all reasonable times be subject to the inspection of the Trustee and the owners of an aggregate of at least 5% in principal amount of Bonds then Outstanding or their representatives duly authorized in writing.

Before the twentieth day of each month, the Trustee will provide the Bond Bank with a statement of the amounts on deposit in each Fund and Account as of the first day of that month and the total deposits to and withdrawals from each Fund and Account during the preceding month. The Bond Bank may provide for less frequent statements so long as such statements are supplied no less frequently than quarterly.

### **Covenants with Respect to Qualified Obligations**

With respect to the Qualified Obligations, the Bond Bank covenants as follows:

(a) Not to permit or agree to any material change in any Qualified Obligation (other than ones for which consent of the Bond Bank is not required) unless the Bond Bank supplies the Trustee with a Cash Flow Certificate to the effect that, after such change, Revenues expected to be received in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any in each such Fiscal Year.

(b) To the extent that such action would not adversely affect the validity of the Qualified Obligation or other obligations of the Qualified Entity, the Bond Bank will pursue the remedies set forth in the Act, particularly Indiana Code 5-1.5-8-5, for the collection of deficiencies in Qualified Obligation Payments on any Qualified Obligation by collection of such deficiencies out of certain State funds payable but not yet paid to a defaulting Qualified Entity.

(c) To enforce or authorize the enforcement of all remedies available to the Bond Bank as the owner or holder of the Qualified Obligations, unless the Bond Bank provides the Trustee with a Cash Flow Certificate to the effect that, if such remedies are not enforced, Revenues expected to be received in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, will at least equal debt service on all Outstanding Bonds in each such Fiscal Year; provided, however, that decisions as to the enforcement of remedies will be within the sole discretion of the Trustee.

(d) Not to sell or dispose of the Qualified Obligations, unless the Bond Bank first provides the Trustee with a Cash Flow Certificate to the effect that, after such sale, Revenues expected to be received in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, minus any proceeds of such sale or disposition transferred from any Fund or Account, will at least equal debt service on all Outstanding Bonds along with Program Expenses, if any, in each such Fiscal Year.

## **Annual Budget**

The Bond Bank will adopt and file with the Trustee, upon the written request of the Trustee, and appropriate State officials under the Act an annual budget covering its fiscal operations for the succeeding Fiscal Year not later than July 1 of each year. The annual budget will be open to inspection by any Owner of Bonds. In the event the Bond Bank does not adopt an annual budget for the succeeding Fiscal Year on or before July 1, the budget for the preceding Fiscal Year will be deemed to have been adopted and be in effect for the succeeding Fiscal Year until the annual budget for such Fiscal Year has been duly adopted. The Bond Bank may at any time adopt an amended annual budget in the manner then provided in the Act.

## **Monitoring Investments**

The Bond Bank covenants and agrees to regularly review the investments held by the Trustee in the Funds and Accounts for the purpose of assuring that the Revenues derived from such investments are sufficient, together with other anticipated Revenues, to provide for the payment of the debt service on Outstanding Bonds.

## **Cash Flow Certificates**

At any time that the provisions of the Indenture require that a Cash Flow Certificate be prepared, such certificate will set forth:

1. the Revenues expected to be received on all Qualified Obligations purchased with proceeds of the Bonds or with Revenues expected to be available for the purpose of financing the purchase of additional Qualified Obligations;
2. all other Revenues, including the interest to be earned and other income to be derived from the investment of the Funds and Accounts and the rate or yields used in estimating such amounts;
3. all moneys expected to be in the Funds and Accounts;
4. the debt service due on all Bonds expected to be Outstanding during each Fiscal Year; and
5. the amount, if any, of Program Expenses expected to be paid from the Revenues.

In making any Cash Flow Certificate, the accountant or firm of accountants may contemplate the payment or redemption of Bonds for the payment or redemption of which amounts have been set aside in the Redemption Account. The issuance of Bonds, the making of transfers from one Fund to another and the deposit of amounts in any Fund from any other source may be contemplated in a Cash Flow Certificate only to the extent that such issuance, deposit or transfer has occurred prior to or will occur substantially simultaneously with the delivery of such Cash Flow Certificate. The accountant or firm of accountants will also supply supporting schedules appropriate to show the sources and applications of funds used, identifying particularly amounts to be transferred between Funds, amounts to be applied to the redemption or payment of Bonds and amounts to be used to provide for Costs of Issuance, and capitalized interest, if any, for the respective Series. In the case of each annual Cash Flow Certificate, the amounts of existing Qualified Obligations, existing Investment Securities and existing cash will be the amounts as of the last day of the preceding Fiscal Year. In the case of any other Cash Flow Certificate, such amounts will be the amounts as of the last day of the month preceding the month in which the Cash Flow Certificate is delivered, but will be adjusted to give effect to scheduled payments of principal of and interest on Qualified Obligations, actual payments or proceeds with respect to Investment Securities and actual expenditures of cash expected by the Bond Bank through the end of the then current month.

## **Certain Verifications**

The Bond Bank and/or the Trustee from time to time may cause a firm of independent certified public accountants of national standing or other nationally recognized experts to supply the Bond Bank and the Trustee with such information as the Bond Bank or the Trustee may request in order to determine in a manner reasonably

satisfactory to the Bond Bank and the Trustee all matters relating to: (a) the sufficiency of projected cash flow receipts and disbursements with respect to the Funds and Accounts to pay the principal of and interest on the Bonds and Program Expenses; and (b) the yields on any obligations acquired and held by the Bond Bank and/or the Trustee. The Bond Bank and/or the Trustee from time to time may also obtain an Opinion of Bond Counsel concerning post-issuance compliance with any legislation applicable to the Bonds.

### **Limitation on Additional Bonds**

The only additional Bonds that may be issued under the Indenture are Refunding Bonds issued solely to refund all or any portion of the Outstanding Bonds.

The Indenture creates a continuing pledge and lien to secure the full and final payment of the principal of, redemption premium, if any, and interest on all Bonds and authorizes the issuance of one or more Series of Bonds under separate Supplemental Indentures. The Indenture establishes the requirements for each Supplemental Indenture and provides that no Series of Bonds will be issued under a Supplemental Indenture unless certain conditions are met, including the receipt by the Trustee of a Cash Flow Certificate to the effect that, immediately after the issuance of such Bonds, Revenues in each Fiscal Year, together with moneys expected to be held in the Funds and Accounts, will at least equal the debt service on all Bonds in each such Fiscal Year, including such Bonds (such certificate will not be required in the case of Refunding Bonds if the debt service in each Fiscal Year on all Bonds after the issuance of such Refunding Bonds will be equal to or less than such debt service for each Fiscal Year on all Bonds Outstanding before the issuance of the Refunding Bonds).

### **DEFEASANCE AND DISCHARGE OF LIEN OF INDENTURE**

If payment or provision for payment is made to the Trustee of the principal of and interest due and to become due on all of the Bonds then Outstanding under the Indenture, and if the Trustee receives all payments due and to become due under the Indenture, then the Indenture may be discharged in accordance with its provisions. In the event of any early redemption of Bonds in accordance with their terms, the Trustee must receive irrevocable instructions from the Bond Bank, satisfactory to the Trustee, to call such Bonds for redemption at a specified date and pursuant to the Indenture. Outstanding Bonds will continue to be a limited obligation of the Bond Bank payable only out of the moneys or securities held by the Trustee for the payment of the principal of and interest on the Bonds.

Any Bond will be deemed to be paid when (a) payment of the principal of that Bond, plus interest to its due date, either (i) has been made or has been caused to be made in accordance with its terms, or (ii) has been provided for by irrevocably depositing with the Trustee, in trust and exclusively for such payment, (1) moneys sufficient to make such payment, (2) Governmental Obligations maturing as to principal and interest in such amounts and at such times, without consideration of any reinvestment thereof, as will insure the availability of sufficient moneys to make such payments, or (3) a combination of such moneys and Governmental Obligations, (b) all other sums payable under the Indenture, including the necessary and proper fees and expenses of the Trustee pertaining to the Bonds, have been paid or deposited with the Trustee and (c) a verification report of an independent certified public accountant or verification agent stating that such securities and/or cash, together with the earnings thereon, will be sufficient to pay interest and principal (and applicable premium) on the Bonds to redemption or maturity or an opinion of counsel to the effect that all conditions precedent to the defeasance have been met.

### **Trustee's Rights and Remedies**

Upon the occurrence of an Event of Default, the Trustee will notify the Owners of Outstanding Bonds of such Event of Default and will have the following rights and remedies:

(a) The Trustee may pursue any available remedy at law or in equity to enforce the payment of the principal of and interest on Bonds outstanding under the Indenture, including any and all such actions arising under, or by reason of, the Qualified Obligations;

(b) The Trustee may by action at law or in equity require the Bond Bank to account as if it were the trustee of an express trust for the Owners of the Bonds, and may take such action with respect to the Qualified Obligations as the Trustee deems necessary, appropriate and in the best interest of the Bondholders, subject to the terms of the Qualified Obligations;

(c) Upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Bondholders under the Indenture, the Trustee will be entitled, as a matter of right, to the appointment of a receiver or receivers of the Trust Estate under the Indenture and of the Revenues, issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment will confer; and

(d) By notice to the Bond Bank and the Attorney General of the State, the Trustee may declare the principal of and accrued interest on all Bonds to be due and payable immediately in accordance with the provisions of the Indenture and the Act.

If an Event of Default has occurred, if requested to do so by the Owners of 25% or more in aggregate principal amount of the Bonds Outstanding under the Indenture, and if indemnified as provided in the Indenture, the

Trustee will be obligated to exercise one or more of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, deems most expedient in the interest of the Bondholders.

The Owners of a majority in aggregate principal amount of the Bonds Outstanding under the Indenture will have the right, at any time during the continuance of an Event of Default, by a written instrument or instruments executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings under the Indenture. However, such direction must be in accordance with the provisions of law and of the Indenture.

### **Waivers of Events of Default**

At its discretion, the Trustee may waive any Event of Default and its consequences, and must do so upon the written request of the owners of (a) more than sixty-six and two-thirds percent (66 2/3%) in aggregate principal amount of all Bonds then Outstanding in respect of which an Event of Default in the payment of principal or interest exists, or (b) more than fifty percent (50%) in aggregate principal amount of all Bonds then Outstanding in the case of any other default. However, there may not be waived (i) any Event of Default in the payment of the principal of any Bond then Outstanding under the Indenture at the specified date of maturity or (ii) any Event of Default in the payment when due of the interest on any Bond then Outstanding under the Indenture, unless prior to the waiver, all arrears of interest or principal due, as the case may be, with interest on overdue principal at the rate borne by such Bond, and all expenses of the Trustee in connection with the Event of Default have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default is discontinued or abandoned or determined adversely, then the Bond Bank, the Trustee and the Bondholders will be restored to their former respective positions and right under the Indenture. No waiver or rescission will extend to any subsequent or other Event of Default or impair any right consequent thereon.

### **Rights and Remedies of Owners of Bonds**

No owner of any Bond will have any right to institute any suit, action or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or for any other remedy under the Indenture, unless (a) an Event of Default has occurred, (b) such Default will have become an Event of Default and the owners of not less than 25% in aggregate principal amount of Bonds then Outstanding have made written request to the Trustee and have offered the Trustee reasonable opportunity either to proceed to exercise the remedies granted in the Indenture or to institute such action, suit or proceeding in its own name, (c) such owners of Bonds have offered to indemnify the Trustee, as provided in the Indenture, and (d) the Trustee has refused, or for 60 days after receipt of such request and offer of indemnification has failed, to exercise the remedies granted in the Indenture or to institute such action, suit or proceeding in its own name. All proceedings at law or in equity must be carried out as provided in the Indenture and for the equal benefit of the owners of all Outstanding Bonds. However, nothing contained in the Indenture will affect or impair the right of any owner of Bonds to enforce the payment of the principal of and interest on any Bond at and after its maturity, or the limited obligation of the Bond Bank to pay the principal of and interest on each of the Bonds to the respective owners of the Bonds at the time and place, from the source and in the manner expressed in the Bonds.

## **TRUSTEE**

By executing the Indenture, the Trustee accepts the trusts and duties imposed upon it by the Indenture and agrees to perform such trusts and duties with the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs, but only upon and subject to the express terms and conditions of the Indenture.

The Trustee covenants and agrees to retain or cause its agent to retain possession of all of the Qualified Obligations and a copy of the transcript or documents related thereto and release them only in accordance with the provisions of the Indenture. The Bond Bank and the Trustee covenant and agree that all books and documents in their possession relating to the Qualified Obligations will at all times be open to inspection by such accountants or other agencies or persons as the Bond Bank or the Trustee may from time to time designate.

The Trustee and any successor Trustee may at any time resign from the trusts created by the Indenture by giving 30 days' written notice by registered or certified mail to the Bond Bank, the owner of each Bond as shown by the list of Bondholders required by the Indenture to be kept at the office of the Trustee. Such resignation will take effect upon the appointment of a successor Trustee and acceptance of such appointment by the successor Trustee. If the Bond Bank does not appoint a successor Trustee within the thirty days of the Trustee providing notice of its resignation, the Trustee shall have the right to petition a court of competent jurisdiction to appoint a successor Trustee under the Indenture.

The Trustee may be removed at any time, with or without cause, by instrument or concurrent instruments in writing delivered to the Trustee and the Bond Bank and signed by the owners of a majority in aggregate principal amount of all Bonds then Outstanding or their attorneys-in-fact duly authorized. Notice of the removal of the Trustee will be given as described in the paragraph above with respect to the resignation of the Trustee. So long as no Event of Default or an event which, with the passage of time would become an Event of Default, has occurred and is continuing, the Trustee may be removed at any time for cause by resolution of the Bond Bank filed with the Trustee.

In case the Trustee resigns or be removed, or is dissolved, or is in the course of dissolution or liquidation, or otherwise becomes incapable of acting the Indenture, or in case it is taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of all Bonds then Outstanding by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact duly authorized, a copy of which will be delivered personally or sent by registered mail to the Bond Bank. Nevertheless, in case of such vacancy, the Bond Bank by resolution may appoint a temporary Trustee to fill such vacancy. Within ninety (90) days after such appointment, the Bondholders may appoint a successor Trustee, and any such temporary Trustee so appointed by the Bond Bank will become the successor Trustee if no appointment is made by the Bondholders within such period, but in the event an appointment is made by the Bondholders, such temporary Trustee will immediately and without further act be superseded by any Trustee so appointed by such Bondholders. Notice of the appointment of a temporary or successor Trustee will be given in the same manner described in the paragraph above with respect to the resignation of a Trustee. Every such Trustee so appointed will be a trust company or bank having its principal place of business in the State, will be duly authorized to exercise trust powers, will be subject to examination by federal or state authority, will have a reported capital and surplus of not less than \$75,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

### **SUPPLEMENTAL INDENTURES**

The Bond Bank and the Trustee may, without the consent of or notice to any of the owners of Bonds, enter into an indenture or indentures supplemental to the Indenture for any one or more of the following purposes:

- (a) To cure any ambiguity, formal defect or omission in the Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the owners of Bonds then Outstanding any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to make any change which, in the judgment of the Trustee, does not materially and adversely affect the interests of the Bondholders and does not otherwise require the unanimous consent of all Bondholders under the Indenture;
- (c) To subject to the lien and pledge of the Indenture additional Revenues, properties or collateral;
- (d) To modify, amend or supplement the Indenture or any supplemental indenture in order to permit qualification under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the States of the United States of America, and, if the Bond Bank and the Trustee so determine, to add to the Indenture or to any supplemental indenture such other terms, conditions and provisions as may be permitted by the Trust Indenture Act of 1939 or similar federal statute;

- (e) To give evidence of the appointment of a separate or co-trustee, or the succession of a new Trustee or the succession of a new registrar and/or paying agent;
- (f) In connection with the issuance of Refunding Bonds;
- (g) To provide for the refunding of all or a portion of the Bonds; and
- (h) To amend the Indenture to permit the Bond Bank to comply with any future federal tax law or any covenants contained in any Supplemental Indenture with respect to compliance with future federal tax laws.

With the exception of Supplemental Indentures for the purposes described in the preceding paragraph and subject to the terms of the Indenture, the owners of not less than a majority of the aggregate principal amount of the Bonds then Outstanding which are affected (other than Bonds held by the Bond Bank) will have the right from time to time to consent to and approve the execution by the Bond Bank and the Trustee of any supplemental indenture or indentures deemed necessary and desirable by the Bond Bank or the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture or in any supplemental indenture; provided, however, no supplemental indenture may permit or be construed as permitting, without the consent of the owners of all then Outstanding Bonds under the Indenture, (a) an extension of a Principal Payment Date, an Interest Payment Date or a redemption date for any Bond issued under the Indenture or (b) a reduction in the principal amount of any Bond or change in the rate of interest or redemption premium, or (c) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, (d) a reduction in the aggregate principal amount of the Bonds the owners of which are required to consent to such supplemental indenture, (e) the creation of any lien securing any Bonds other than a lien ratably securing all of the Bonds, at any time Outstanding, (f) a reduction in the Reserve Requirement, or (g) any amendment or modification of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee without the written consent of the Trustee.

WHEREAS, the Bond Bank has authorized and intends to issue its Indiana Bond Bank Taxable School Severance Funding Refunding Bonds, Series 2015 (with such further or different designation as may be necessary or appropriate as determined by the Bond Bank) (the "Refunding Bonds") for the purpose of refunding all or a portion of the Prior Bonds (the "Refunding Program") pursuant to a Trust Indenture (the "Bond Bank Indenture") between the Bond Bank and The Bank of New York Mellon Trust Company, N.A. (the "Bond Bank Trustee"); and

WHEREAS, as a condition to sharing a portion of the economic benefits associated with the Refunding Program with the Qualified Entity, the Bond Bank has requested that the Qualified Entity [waive] [modify] the Call Rights and evidence the [waiver] [modification] of the Call Rights (in exchange for receiving a portion of the economic benefits associated with the Refunding Program) by executing and delivering its Amended Qualified Obligations (as hereinafter defined) and, following the undertaking of the Refunding Program and satisfaction of the other terms and conditions set forth herein, exchanging the Amended Qualified Obligations for the outstanding Original Qualified Obligations; and

amount not to exceed the aggregate outstanding principal amount of the Original Qualified Obligations (as so amended, the “Amended Qualified Obligations”);

NOW, THEREFORE, the Bond Bank and the Qualified Entity hereby agree:

Section 1. (a) In exchange for [waiving][modifying] the Call Rights, the Bond Bank hereby agrees to provide the Qualified Entity with one or more credits, in an aggregate amount of \$\_\_\_\_\_ (the “Call Rights Credit”), in the form of a reduction of one or more semi-annual debt service payments on the Amended Qualified Obligations all in accordance with the schedule attached as Exhibit A hereto and made a part hereof.

(b) In order to evidence such [waiver] [modification] of the Call Rights, the Qualified Entity hereby agrees to execute and deliver the Amended Qualified Obligations and to exchange the Amended Qualified Obligations for all of the Original Qualified Obligations which are outstanding on the date hereof. Upon the execution and delivery of the Amended Qualified Obligations, the Bond Bank hereby agrees that it shall cancel and return all of the Original Qualified Obligations to the Qualified Entity which are outstanding on the date hereof.

(c) The parties hereby expressly agree and acknowledge that the execution and delivery of the Amended Qualified Obligations to the Bond Bank in exchange for the return of all of the Original Qualified Obligations outstanding on the date hereof shall not constitute, nor shall this Purchase Agreement or the transaction hereby contemplated ever be construed to constitute, a re-issuance of the Original Qualified Obligations, in whole or in part, for purposes of the laws of the State .

(d) Notwithstanding anything in the Original Resolution, the 20\_\_ Purchase Agreement or the Original Qualified Obligations to the contrary, the Amended Qualified Obligations [shall not be subject to optional redemption prior to maturity thereof] [shall be subject to optional redemption as described on Exhibit B attached hereto.]

(e) Except as otherwise provided in this Purchase Agreement and the Supplemental Resolution, the terms, conditions and characteristics of the Amended Qualified Obligations shall be the same as those of the Original Qualified Obligations.

Section 2. If the Qualified Entity fails to pay the principal of and interest on the Amended Qualified Obligations when due, the Qualified Entity agrees to reimburse the Bond Bank for the costs of collecting the payments on such Amended Qualified Obligations.

Section 3. The Qualified Entity has or will take all proceedings required by law to enable it to [waive][modify] the Call Rights and execute and deliver the Amended Qualified Obligations to the Bond Bank pursuant to the terms hereof. The parties to this Agreement acknowledge that the Qualified Entity’s obligation to [waive][modify] the Call Rights and to execute and deliver the Amended Qualified Obligations and the Bond Bank’s obligation to apply the Call Rights Credit to the Amended Qualified Obligations for such [waiver][modification] by the Qualified Entity of the Call Rights, as described herein, are expressly contingent upon the Qualified Entity taking all steps and receiving all approvals required by laws of the State , if any, to [waive][modify] the Call Rights, to execute and deliver the Amended Qualified Obligations and to execute all other documents which are necessary for the Bond Bank to undertake its Refunding Program.

Section 4. Simultaneously with the delivery to the Bond Bank of the Amended Qualified Obligations, which shall be substantially in the form set forth in the Supplemental Resolution and registered in the name of the Bond Bank, the Qualified Entity shall furnish to the Bond Bank a transcript of proceedings and the opinion or opinions of nationally recognized bond counsel, which shall set forth, among other things, the validity of the Amended Qualified Obligations and this Purchase Agreement. The Bond Bank shall arrange for and bear the cost of such bond counsel’s opinion or opinions.

Section 5. The Qualified Entity and the Bond Bank agree that the Amended Qualified Obligations and the payments to be made thereon may be pledged or assigned by the Bond Bank to the Bond Bank Trustee under and pursuant to the Bond Bank Indenture.

Section 6. The Qualified Entity agrees to furnish to the Bond Bank, as long as any of the Amended Qualified Obligations remain outstanding, annual financial reports, audit reports and such other financial information as is reasonably requested by the Bond Bank.

Section 7. If any provision of this Purchase Agreement shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of this Purchase Agreement, and this Purchase Agreement shall be construed and be in force as if such invalid or unenforceable provision had not been contained herein.

Section 8. The parties to this Agreement acknowledge that the Qualified Entity's obligation to [waive][modify] the Call Rights and execute and deliver the Amended Qualified Obligations and the Bond Bank's obligation to apply the Call Rights Credit and to return all of the Original Qualified Obligations outstanding as of the date hereof is expressly contingent upon the authorization and undertaking of the Refunding Program. In the event the Bond Bank determines not to authorize or undertake its Refunding Program, the provisions of this Agreement shall terminate upon notice by the Bond Bank to the Qualified Entity of such determination.

Section 9. In the event the Qualified Entity fails to [waive][modify] the Call Rights and to execute and deliver all of the Amended Qualified Obligations to the Bond Bank in accordance with Section 1 hereof for any reason within the Qualified Entity's control, the Qualified Entity shall, on demand and to the extent permitted by law, pay to the Bond Bank an amount equal to all costs, expenses (including attorney's fees) and consequential damages occasioned by the failure of the Qualified Entity to [waive][modify] the Call Rights and to execute and deliver the Amended Qualified Obligations, all in accordance with Section 1 hereof.

Section 10. The Qualified Entity hereby acknowledges that it has been provided a copy of the official statement of the Bond Bank related to the Refunding Program, including the appendices thereto (the "Offering Document"). On or prior to the delivery date of the Amended Qualified Obligations pursuant to the Refunding Program, an authorized officer of the Qualified Entity will deliver a certificate, dated as of the delivery date of the Refunding Bonds pursuant to the Refunding Program (the "Closing Date"), to the effect that any statements pertaining to the Qualified Entity, the Original Qualified Obligations (if any) or the Amended Qualified Obligations made in the Offering Document, as of the date of the Offering Document, did not contain any untrue statement of a material fact or omit to State a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and as of the Closing Date, does not contain any untrue statement of a material fact or omit to State a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading, and that there has been no material adverse change in the financial condition and affairs of the Qualified Entity during the period from the date of the Offering Document to the Closing Date, which was not disclosed in or contemplated by the Offering Document. The portions, if any, of the preliminary Offering Document summarizing the Qualified Entity, the Original Qualified Obligations or the Amended Qualified Obligations are deemed final by the Qualified Entity for purposes of Rule 15c2-12 of the Securities and Exchange Commission (the "SEC Rule"), as of this date.

Section 11. The Qualified Entity hereby agrees, at any time the Amended Qualified Obligations are outstanding, to execute a continuing disclosure agreement in a form sufficient to allow the underwriter of the Refunding Bonds to comply with the SEC Rule upon notice from the Bond Bank that the Qualified Entity constitutes an "obligated person," as defined in the SEC Rule.

Section 12. This Purchase Agreement may be executed in one or more counterparts, any of which shall be regarded for all purposes as an original and all of which constitute but one and the same instrument. The Bond Bank and the Qualified Entity each agree that they will execute any and all documents or other instruments and take such other actions as may be necessary to give effect to the terms of this Purchase Agreement.

Section 13. No waiver or modification by the Bond Bank or the Qualified Entity of any term or condition of this Purchase Agreement shall be deemed or construed as a waiver or modification of any other terms or

conditions, nor shall a waiver or modification of any breach be deemed to constitute a waiver or modification of any subsequent breach, whether of the same or of a different section, subsection, paragraph, clause, phrase or other provision of this Purchase Agreement.

[Section 14. In the event the Qualified Entity, or any entity acting on behalf of the Qualified Entity, adopts a resolution making a determination to refund or defease the Amended Qualified Obligations (whether the Qualified Entity intends to effect such refunding or defeasance through the issuance of bonds and/or other legally available funds), the Qualified Entity shall, within five (5) days of the adoption of the resolution, provide notice to the Bank of the determination to undertake such refunding or defeasance. The Qualified Entity agrees not to issue any obligations or allow any obligations to be issued for or on behalf of the Qualified Entity or to use any other legally available funds of the Qualified Entity, the proceeds of which will be used in whole or in part to refund or defease all or any portion of the Amended Qualified Obligations, unless: (i) the Qualified Entity provides the Bank with information necessary for the Bank, or its financial advisors or consultants, to prepare a Cash Flow Certificate (as defined in the Bond Bank Indenture); (ii) such Cash Flow Certificate shows that such refunding will not have an adverse effect on the Bank's ability to pay debt service on any bonds or notes of the Bank secured by a trust indenture to which the Amended Qualified Obligations have been pledged by the Bank; and (iii) the Qualified Entity pays the actual costs of the Bank's reasonable legal and financial advisory fees in connection with such Cash Flow Certificate and the refunding or defeasance of the Amended Qualified Obligations.]

Section 15. This Purchase Agreement merges and supersedes all prior negotiations, representations and agreements between the Bond Bank and the Qualified Entity relating to the subject matter hereof and, together with the Resolution and the Amended Qualified Obligations, constitutes the entire agreement between the Bond Bank and the Qualified Entity with respect hereto.

If a Dissemination Agent is selected for these purposes, the Obligor shall provide prior written notice thereof (as well as notice of replacement or dismissal of such agent) to the Bond Bank.

Further, the Obligor may, at its sole discretion, retain counsel or others with expertise in securities matters for the purpose of assisting the Obligor in making judgments with respect to the scope of its obligations hereunder and compliance therewith, all in order to further the purposes of this Amended Agreement.

(c) Prior to pursuing any remedy under this Section, the Bond Bank shall give notice to the Obligor, via registered or certified mail, of such breach and its intent to pursue such remedy. Fifteen (15) days after mailing of such notice, and not before, the Bond Bank may pursue such remedy under this Section. Section 8. Modification of Amended Agreement. The Obligor may, from time to time, amend or modify this Amended Agreement without the consent of or notice to the Bond Bank if either (a)(i) such amendment or modification is made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the Obligor, or type of business conducted, (ii) this Amended Agreement, as so amended or modified, would have complied with the requirements of the SEC Rule on the date hereof, after taking into account any amendments or interpretations of the SEC Rule, as well as any change in circumstances, and (iii) such amendment or modification does not materially impair the interests of the Bond Bank, as determined either by nationally recognized bond counsel; or (b) such amendment or modification (including an amendment or modification which rescinds this Agreement) is permitted by the SEC Rule, as then in effect.

Section 9. Bond Bank Disclosure. Under and pursuant to the Bond Bank Disclosure Agreement, the Bond Bank has agreed to provide to the MSRB, through EMMA, the information of the Obligor contained in Sections 3 and 4 hereof in accordance with the SEC Rule if the aggregate outstanding principal amount of the School Corporation's Amended Bonds could potentially constitute 10% or more of the outstanding aggregate principal balance on all outstanding Amended Qualified Obligations (as defined in the Bond Bank Disclosure Agreement) through the final maturity date thereof.

Section 10. Interpretation Under Indiana Law. It is the intention of the parties hereto that this Amended Agreement and the rights and obligations of the parties hereunder shall be governed by and construed and enforced in accordance with, the law of the State of Indiana.

The School Corporation makes no representation as to the potential materiality of any such failures as materiality is dependent upon individual facts and circumstances.

Section 12. Severability Clause. In case any provision in this Amended Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 13. Successors and Assigns. All covenants and agreements in this Amended Agreement made by the Obligor shall bind its successors, whether so expressed or not.

Section 16. Waiver. Any failure by any Promisee to institute any suit, action or other proceeding for any breach or violation by the Bond Bank of any obligation of the Bond Bank under this Agreement, within three hundred sixty (360) days after the date of such Promisee first has knowledge of such breach or violation, shall constitute a waiver by such Promisee of such breach or violation and, after such waiver, no remedy shall be available to such Promisee for such breach or violation.

Section 17. Immunity of Officers, Directors, Members, Employees and Agents. No recourse shall be had for any claim based upon any obligation in this Agreement against any past, present or future officer, director, member, employee or agent of the Bond Bank, as such, either directly or through the Board of Directors of the Bond Bank, under any rule of law or equity, statute or constitution.
